Item 1.01 Entry into a Material Definitive Agreement.

On January 13, 2026, Clearway Energy Operating LLC (“Clearway Operating”), a subsidiary of Clearway Energy, Inc., completed the sale of \$600 million aggregate principal amount of 5.750% senior notes due 2034 (the “Senior Notes”) pursuant to the terms of the purchase agreement, dated January 8, 2026 (the “Purchase Agreement”), among Clearway Operating, the guarantors named therein and the initial purchasers named therein (the “Initial Purchasers”). The Senior Notes were issued under an Indenture, dated January 13, 2026 (the “Indenture”), among Clearway Operating, the guarantors named therein and CSC Delaware Trust Company (formerly known as Delaware Trust Company), as trustee (the “Trustee”). The Indenture and the form of Senior Note, which is attached as an exhibit to the Indenture, provide, among other things, that the Senior Notes will be senior unsecured obligations of Clearway Operating. Interest is payable on the Senior Notes on January 15 and July 15 of each year beginning on July 15, 2026 until their maturity date of January 15, 2034.

At any time prior to January 15, 2029, Clearway Operating may redeem up to 40% of the Senior Notes at a redemption price of 105.750% of the principal amount of the Senior Notes redeemed, plus accrued and unpaid interest to the redemption date, in an amount equal to the net cash proceeds of one or more equity offerings, so long as the redemption occurs within 180 days of completing such equity offering and at least 50% of the aggregate principal amount of the Senior Notes remains outstanding after such redemption.

In addition, at any time prior to January 15, 2029, Clearway Operating may redeem all or a portion of the Senior Notes for cash at a redemption price equal to 100% of the principal amount of the Senior Notes redeemed, plus an applicable make-whole premium and accrued and unpaid interest to the redemption date. On and after January 15, 2029, Clearway Operating may redeem all or a portion of the Senior Notes at redemption prices set forth in the Indenture, plus accrued and unpaid interest to the redemption date.

The terms of the Indenture, among other things, limit the ability of Clearway Operating and certain of its subsidiaries to create liens on assets and consolidate, merge or transfer all or substantially all of its assets and the assets of its subsidiaries.

The Indenture provides for customary events of default, which include (subject in certain cases to customary grace and cure periods), among others: nonpayment of principal or interest; breach of other agreements in the indentures; defaults in failure to pay certain other indebtedness; the rendering of judgments to pay certain amounts of money against Clearway Operating and its subsidiaries; the failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs and is not cured within the time periods specified, the Trustee or the holders of at least 30% in principal amount of the then outstanding series of Senior Notes may declare all the Senior Notes of such series to be due and payable immediately.

The Senior Notes were sold to the Initial Purchasers for resale to persons reasonably believed to be qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside the United States under Regulation S of the Securities Act. The Senior Notes were issued in a transaction exempt from registration under the Securities Act or any state securities laws. Therefore, Senior Notes may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and any applicable state securities laws. This Current Report on Form 8-K and the Exhibits hereto do not constitute an offer to sell any securities or a solicitation of an offer to purchase any securities.

The foregoing descriptions do not purport to be complete and are qualified by reference to the Indenture and the form of Senior Note, which are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of the Registrant.

The Trustee shall, upon receipt of a written order of the Company signed by at least one Officer (an "*Authentication Order*"), authenticate Securities for original issue under this Indenture. The aggregate principal amount of Securities outstanding at any time may not exceed the aggregate principal amount of Securities authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.08 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Company or an Affiliate of the Company.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency with respect to each Series of Securities issued pursuant to this Indenture, where such securities may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where such Securities may be presented for payment ("*Paying Agent*"). The Registrar will keep a register of all such Securities and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrar and the term "*Paying Agent*" includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries or parent entities may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company ("*DTC*") to act as Depository with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders of the Securities for which it is acting as Paying Agent or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on, the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

Section 2.05 *Holder Lists.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Securities.* A Global Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Securities shall be exchanged by the Company for Definitive Securities if:

- (1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary;
- (2) the Company in its sole discretion determines that the Global Securities (in whole but not in part) should be exchanged for Definitive Securities and delivers a written notice to such effect to the Trustee; or
- (3) there has occurred and is continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Securities shall be issued in such names and in any approved denominations as the Depositary shall instruct the Trustee. Global Securities also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.11 hereof. Every Security authenticated and delivered in exchange for, or in lieu of, a Global Security or any portion thereof, pursuant to this Section 2.06 or Section 2.08 or 2.11 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Security. A Global Security may not be exchanged for another Security other than as provided in this Section 2.06(a); however, beneficial interests in a Global Security may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Securities.* The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Securities also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

Beneficial interests in any Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. Any person who transfers a beneficial interest in the Regulation S Global Security prior to the expiration of the applicable Restricted Period with respect to any Series of Additional Securities shall be deemed to have certified that such transfer was not made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Securities.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Security shall be registered to effect the transfer or exchange referred to in (i) above.

(3) *Transfer of Beneficial Interests to Another Restricted Global Security.* A beneficial interest in any Restricted Global Security may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Security if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Security for Beneficial Interests in an Unrestricted Global Security.* A beneficial interest in any Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

and, in each such case of this Section 2.06(b)(4), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to this Section 2.06(b)(4) at a time when an Unrestricted Global Security has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this Section 2.06(b)(4).

Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(c) *Transfer or Exchange of Beneficial Interests in Global Securities for Definitive Securities.* Transfers or exchanges of beneficial interests in Global Securities for Definitive Securities shall in each case be subject to the satisfaction of any applicable conditions set forth in Section 2.06(b)(2) hereof, and to the requirements set forth below in this Section 2.06(c).

(1) *Beneficial Interests in Restricted Global Securities to Restricted Definitive Securities.* If any holder of a beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a Restricted Definitive Security or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Security, then, upon receipt by the Registrar of the following documentation:

and, in each such case of this Section 2.06(c)(2), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(2) No service charge shall be made to a holder of a beneficial interest in a Global Security or to a Holder of a Definitive Security for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 3.06, 4.09 and 9.05 hereof).

(3) The Registrar shall not be required to register the transfer of or exchange of any Security selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Securities and Definitive Securities issued upon any registration of transfer or exchange of Global Securities or Definitive Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Securities or Definitive Securities surrendered upon such registration of transfer or exchange.

(5) The Company shall not be required:

(A) to issue, to register the transfer of or to exchange any Securities during a period beginning at the opening of business 10 days before the day of any selection of Securities for redemption and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Security selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part; or

(C) to register the transfer of or to exchange a Security between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Security, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee shall authenticate Global Securities and Definitive Securities in accordance with the provisions of Section 2.02 hereof.

(8) All orders, certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or electronic format (e.g. "pdf" or "tif").

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law (including any state or federal securities laws (including the Securities Act)) with respect to (i) the removal, or deemed removal, of any Private Placement Legend, or (ii) any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to accept delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture.

Section 2.07 *Issuance of Additional Notes.*

The Company shall be entitled, upon delivery to the Trustee of an Officers' Certificate, Opinion of Counsel and Authentication Order, to issue Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date, other than with respect to the date of issuance and issue price. The Initial Notes issued on the Issue Date and any Additional Notes issued shall be treated as a single class for all purposes under this Indenture; *provided* that any such Additional Notes that are not fungible with the Initial Notes for United States federal income tax purposes will be issued with a different CUSIP number than the CUSIP number issued with respect to the Initial Notes.

With respect to any Additional Notes, the Company shall set forth in a Board Resolution and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (b) the issue price, the issue date and the CUSIP number of such Additional Notes.

Section 2.08 *Replacement Securities.*

If any mutilated Security is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Security, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Security if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Security is replaced. The Company may charge for its expenses in replacing a Security.

Every replacement Security is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Securities duly issued hereunder.

Section 2.09 *Outstanding Securities.*

The Securities outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10 hereof, a Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security; however, Securities held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Security is replaced pursuant to Section 2.08 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a protected purchaser.

If the principal amount of any Security is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Securities payable on that date, then on and after that date such Securities will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.10 *Treasury Securities.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Securities owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only such Notes that the Trustee has received written notice from the Company or any Guarantor, as applicable, certifying that the relevant Notes are owned by either the Company or any Guarantor, as applicable, will be so disregarded.

Section 2.11 *Temporary Securities.*

Until certificates representing Securities are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Securities. Temporary Securities will be substantially in the form of certificated Securities but may have variations that the Company considers appropriate for temporary Securities and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate Definitive Securities in exchange for temporary Securities.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.12 *Cancellation.*

The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. Upon receipt of written direction from the Company, the Trustee and no one else will cancel all Securities surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Securities (subject to the record retention requirements of the Exchange Act). Certification of the destruction of all canceled Securities will be delivered to the Company. The Company may not issue new Securities to replace Securities that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date. At least 10 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed or delivered electronically to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Default interest will be payable with respect to Additional Securities on the terms provided in the Supplemental Indenture pursuant to which such Series of Additional Securities is created.

ARTICLE 3
REDEMPTION AND PREPAYMENT

For purposes of the Notes, Article 3 hereof provides the terms upon which redemption and prepayment may occur. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms upon which redemption and prepayment may occur, which may include some, all or none of the terms contained in this Article 3 hereof.

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price or, where the redemption price cannot be calculated at the time of such notice, the method of calculation thereof.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption on a *pro rata* basis among all outstanding Notes or, if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed, in either case, unless otherwise required by law or Depositary requirements.

In the event of partial redemption by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the redemption by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess of \$2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000 shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

No Notes of \$2,000 or less shall be redeemed in part. Notices of redemption shall be mailed by first class mail or delivered electronically at least 10 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that redemption notices may be mailed or delivered electronically more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder of Notes upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption, subject to the Company's right to delay or rescind a redemption date as provided in Section 3.03 hereof. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption, so long as the Company has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest and premium, if any, on, the Notes to be redeemed.

Section 3.03 *Notice of Redemption.*

At least 10 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail or delivered electronically, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed or delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price or, where the redemption price cannot be calculated at the time of such notice, the method of calculation thereof;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least four (4) Business Days prior to the date such notice of redemption is to be distributed to the Holders (or such shorter period as the Trustee in its sole discretion may allow), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Any redemption and notice thereof may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent. If a redemption notice is subject to satisfaction of one or more conditions precedent, such notice will state that, at the Company's discretion, the redemption date may be delayed until such time as any or all such conditions are satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions have not been satisfied by the redemption date, or by the redemption date so delayed.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed or delivered in accordance with Section 3.03 hereof, Notes called for redemption become, subject to any conditions precedent set forth in the notice of redemption, irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

No later than 10:00 a.m. Eastern time on the redemption or purchase date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, accrued interest and premium, if any, on all Notes to be redeemed or purchased on that date. Promptly after the Company's written request, the Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of accrued interest and premium, if any, on, all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to January 15, 2029, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes, upon not less than 10 nor more than 60 days' prior notice, at a redemption price equal to 105.750% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the redemption date, with an amount equal to the net cash proceeds of one or more Equity Offerings, subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date; *provided* that:

(1) at least 50% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company, its Subsidiaries and parent entities) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 180 days of the date of the closing of such equity offering.

(b) At any time prior to January 15, 2029, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 10 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest, if any, to the applicable redemption date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Company's option prior to January 15, 2029.

(d) On or after January 15, 2029, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 10 nor more than 60 days' prior notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the 12-month period beginning on January 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2029	102.875%
2030	101.438%
2031 and thereafter	100.000%

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(f) The provisions of this Article 3 do not prohibit the Company or its Affiliates from acquiring the Notes in market transactions by means other than a redemption, whether pursuant to a tender offer or otherwise.

(g) Notwithstanding anything to the contrary in this Article 3, in connection with any tender offer for, or other offer to purchase, the Notes, including a Change of Control Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer (or other offer to purchase) and the Company, or any third party making such a tender offer (or other offer to purchase) in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such tender offer expiration date (or purchase date pursuant to such other offer), to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the price paid to each other Holder (excluding any early tender, incentive or similar fee) in such tender offer (or other offer to purchase), plus, to the extent not included in the tender offer payment (or payment pursuant to another offer to purchase), accrued and unpaid interest, if any, to the date of redemption. In determining whether the Holders of at least 90.0% of the aggregate principal of the then outstanding Notes have validly tendered and not withdrawn such Notes in a tender offer or other offer to purchase, such calculation shall include all Notes owned by an Affiliate of the Company (notwithstanding any provision of this Indenture to the contrary).

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4 COVENANTS

For purposes of the Notes, Article 4 hereof provides the terms of the various covenants to which the Notes are subject. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms of the covenants to which such Additional Securities are subject, which may include some, all or none of the covenants contained in this Article 4 hereof.

Section 4.01 *Payment of Notes.*

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Whether or not required by the SEC's rules and regulations, so long as any Notes are outstanding, the Company shall furnish or cause to be furnished to Holders:

(1) within the time period (including any extensions thereof) specified in the SEC's rules and regulations that would apply with respect to the filing of an annual report on Form 10-K, all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and a report on the annual financial statements by the Company's independent registered public accounting firm;

provided, however,

- (a) in no event will the Company be required to furnish any information, document or report referred to in clause (3) above if (i) such information, document or report would not be required to be filed on a current report on Form 8-K if the Company was required to file such form or (ii) such information, document or report is included in a current report on Form 8-K of a parent entity of the Company;
- (b) in no event will such reports be required to comply with Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC;
- (c) in no event will such reports be required to comply with Item 302 of Regulation S-K promulgated by the SEC;
- (d) in no event will such reports be required to include any schedules required by Regulation S-X;
- (e) in no event will such reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the SEC or contain separate financial statements for the Company, the Guarantors or other Subsidiaries the Capital Stock of which may be pledged to secure the Notes or any Guarantee that would be required under (A) Rule 3-09 of Regulation S-X or (B) Rule 3-16 of Regulation S-X, respectively, promulgated by the SEC;
- (f) in no event will such reports be required to include separate financial statements or other information contemplated by Rule 3-05 of Regulation S-X or Article 11 thereof (except that, to the extent that pro forma financial information is required to be provided by the Company, the Company may provide only pro forma revenues, net income, consolidated EBITDA, senior secured debt, total debt and capital expenditures (or equivalent financial information) in lieu thereof);
- (g) in no event will such reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein;
- (h) no such reports referenced under clause (3) above will be required to be furnished if the Company determines in its good faith judgment that such event is not material to the Holders of Notes or the business, assets, operations or financial position of the Company and its Subsidiaries, taken as a whole;
- (i) in no event will such reports be required to comply with Item 601 of Regulation S-K promulgated by the SEC (with respect to exhibits) or, with respect to reports referenced in clause (3) above, to include as an exhibit copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K;
- (j) such information will not be required to contain any “segment reporting,” and

(k) in no event will such reports contain compensation or beneficial ownership information.

To the extent the information referred to in clauses (1), (2) and (3) above is filed with the SEC for public availability, the information will be deemed to be furnished to the Trustee and Holders of Notes.

The Company may comply with its obligations to provide the above information to the Holders of the Notes and the Trustee if the Company (i) files such information publicly via the SEC's EDGAR filing system (or any successor system), (ii) makes such information publicly available on the commercial website of the Company or any parent entity thereof and provides reasonably prompt written notice thereof to the Trustee and each Holder of the Notes (which may be by email) of the availability of the information, and/or (iii) posts copies of such information on a website (which may be nonpublic, may require a confidentiality acknowledgement and may be maintained by the Company or a third party) to which access will be given to Holders of the Notes, bona fide prospective investors in the Notes (which prospective investors shall be limited to "qualified institutional buyers" within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts (to the extent providing analysis of an investment in the Notes) and market making financial institutions that are reasonably satisfactory to the Company who agree to treat such information and reports as confidential; *provided* that the Company may deny access to any competitively-sensitive information and reports otherwise to be provided pursuant to this paragraph to any Holder, bona fide prospective investor, security analyst or market maker that is a competitor of the Company and its Subsidiaries to the extent that the Company determines in good faith that the provision of such information and reports to such Person would be competitively harmful to the Company and its Subsidiaries or any parent entity thereof; *provided further*, that each person with valid access to such website will receive an email notification (sent to the email address used by such person to obtain access to such website) when any information is posted to such website. The Company may condition the delivery of any such information or reports to such Holders of the Notes, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such information and reports (and the information contained therein) as confidential, (ii) not use such information and reports (and the information contained therein) for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such information and reports (and the information contained therein). So long as the Parent Guarantor continues to own, directly or indirectly, all of the Equity Interests of the Company, the Parent Guarantor may elect to prepare, file and furnish, as applicable, the quarterly, annual and current reports and consolidated financial statements referred to above in respect of the Parent Guarantor and such reports and consolidated financial statements will be deemed to satisfy the obligations of the Company under this reporting covenant.

In addition, the Company and the Guarantors agree that, for so long as any Notes remain outstanding, to the extent not satisfied by the preceding paragraphs, they shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 *Compliance Certificate.*

(a) The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year, beginning with the fiscal year ending December 31, 2026, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, whether or not to the best of his or her knowledge the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture, and if the Company shall be in default, specifying all such Defaults or Events of Default and the nature and status thereof of which they may have knowledge and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company shall deliver to the Trustee, promptly after any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.06 *Stay, Extension and Usury Laws.*

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of the Indenture; and the Company and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Liens.*

The Company will not, and will not permit any Subsidiary Guarantor to, create or permit to exist any Lien upon any Principal Property owned by the Company or any Subsidiary Guarantor or upon any Equity Interests issued by, or Indebtedness of, any direct or indirect Subsidiary of the Company that directly or indirectly owns Principal Property to secure any Indebtedness of the Company or any Subsidiary Guarantor without providing for the Notes to be equally and ratably secured with (or prior to) any and all such Indebtedness and any other Indebtedness similarly entitled to be equally and ratably secured, for so long as such Indebtedness is so secured; *provided, however*, that this restriction will not apply to, or prevent the creation or existence of:

(1) Liens securing Indebtedness of the Company or any Subsidiary Guarantor under one or more Credit Facilities in an aggregate principal amount pursuant to this clause (1), measured as of the date of creation of any such Lien and the date of incurrence of any such Indebtedness, not exceeding the greatest of (a) 20% of Total Assets, (b) \$1.7 billion and (c) 2.5 times Adjusted LTM CAFD;

(2) Existing Liens;

(3) Liens securing Indebtedness of any Person that (a) is acquired by the Company or any of its Subsidiaries after the date hereof, (b) is merged or amalgamated with or into the Company or any of its Subsidiaries after the date hereof or (c) becomes consolidated in the financial statements of the Company or any of its Subsidiaries after the date hereof in accordance with GAAP; *provided, however*, that in each case contemplated by this clause (3), such Indebtedness was not incurred in contemplation of such acquisition, merger, amalgamation or consolidation and is only secured by Liens on the Equity Interests and assets of, the Person (and Subsidiaries of the Person) acquired by, or merged or amalgamated with or into, or consolidated in the financial statements of, the Company or any of its Subsidiaries;

(4) Liens securing Indebtedness of the Company or any Subsidiary Guarantor incurred to finance (whether prior to or within 365 days after) the acquisition, construction or improvement of assets (whether through the direct purchase of assets or through the purchase of the Equity Interests of any Person owning such assets or through an acquisition of any such Person by merger); *provided, however*, that such Indebtedness is only secured by Liens on the Equity Interests and assets acquired, constructed or improved in such financing (and related contracts, intangibles, and other assets that are incidental thereto or arise therefrom (including accessions thereto and replacements or proceeds thereof));

(5) Liens in favor of the Company or any of its Subsidiaries;

(6) Liens securing Hedging Obligations; *provided* that such agreements were not entered into for speculative purposes (as determined by the Company in its reasonable discretion acting in good faith);

(7) Liens relating to current or future escrow arrangements securing Indebtedness of the Company or any Guarantor;

(8) Liens to secure Environmental CapEx Debt or Necessary CapEx Debt that encumber only the assets purchased, installed or otherwise acquired with the proceeds of such Environmental CapEx Debt or Necessary CapEx Debt;

(9) Liens encumbering deposits made to secure obligations arising from statutory, regulatory, contractual or warranty requirements of the Company or any Guarantor, including rights of offset and set-off;

(10) Refinancing Liens;

(11) Liens on the stock or assets of Facility Subsidiaries securing Facility Debt or Tax Equity Financing of one or more Facility Subsidiaries;

(12) Liens on cash and cash equivalents securing Indebtedness incurred to finance an acquisition of assets or a business or multiple businesses; *provided*, that within 180 days from the date the related Indebtedness was incurred, such cash or cash equivalents are used to (a) fund the acquisition (or a similar transaction), including any related fees and expenses, and the related Indebtedness is (1) secured by Liens otherwise permitted under this Section 4.07 or (2) unsecured; or (b) retire or repay the Indebtedness that it secures and to pay any related fees and expenses; and

(13) other Liens, in addition to those permitted in clauses (1) through (12) above, securing Indebtedness of the Company or any Subsidiary Guarantor having an aggregate principal amount, measured as of the date of creation of any such Lien and the date of incurrence of any such Indebtedness, not to exceed the greater of (i) 2.0% of Total Assets and (ii) \$200.0 million.

Liens securing Indebtedness under the Credit Agreement existing on the date of this Indenture will be deemed to have been incurred on such date in reliance on the exception provided by clause (1) above. For purposes of determining compliance with this Section 4.07, in the event that a proposed Lien meets the criteria of more than one of the categories of Liens described in clauses (1) through (13) above, the Company (a) will be permitted to (i) classify such Lien on the date of its incurrence, or later reclassify all or a portion of such Lien, in any manner that complies with this Section 4.07 and (ii) divide and redivide the amount of such Lien arising among more than one of such clauses and (b) will only be required to include such Lien in one of any such clauses.

If the Company or any Subsidiary Guarantor proposes to create or permit to exist any Lien upon any Principal Property owned by the Company or any Subsidiary Guarantor or upon any Equity Interests or Indebtedness of any direct or indirect Subsidiary of the Company that directly or indirectly owns Principal Property to secure any Indebtedness, other than as permitted by clauses (1) through (13) of the previous paragraph, the Company will give prior written notice thereof to the Trustee, who will give notice to the Holders of the Notes, and the Company will further agree, prior to or simultaneously with the creation of such Lien, effectively to secure all the Notes equally and ratably with (or prior to) such other Indebtedness, for so long as such other Indebtedness is so secured.

Section 4.08 *Company Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its organizational existence, and the corporate, partnership or other existence, as applicable, of the Parent Guarantor and each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company, the Parent Guarantor or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company, the Parent Guarantor and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of the Parent Guarantor or any of its Subsidiaries, if (a) the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company, the Parent Guarantor and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes or (b) if a Subsidiary is to be dissolved, such Subsidiary has no material assets.

Section 4.09 *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, the Company will make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000) of that Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date (the “*Change of Control Payment*”). Within 30 days following any Change of Control Triggering Event, the Company will mail (or deliver electronically) a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.09 and that all Notes tendered will be accepted for payment;

(2) the purchase price and the purchase date, which shall be no earlier than 10 days (or such longer period required by applicable securities laws and regulations) and no later than 60 days from the date such notice is mailed or delivered (the “*Change of Control Payment Date*”);

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess of \$2,000.

The Company shall comply with the requirements of Rule 14c-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.09, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.09 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent shall promptly distribute to each Holder of Notes properly tendered the Change of Control Payment for the Notes, and the Trustee shall promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) The provisions described in Sections 4.09(a) and (b) shall apply whether or not any other provisions of this Indenture are applicable. Except as described in Sections 4.09(a) and (b) hereof, Holders of Notes shall not be permitted to require that the Company repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

(d) Notwithstanding anything to the contrary in this Section 4.09, the Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.09 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control Triggering Event, with the obligation to pay and the timing of payment conditioned upon the occurrence of a Change of Control Triggering Event, if a definitive agreement to effect a Change of Control is in place at the time the Change of Control Offer is made.

(e) If Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, all of the Holders of the Notes will be deemed to have validly tendered their notes and not withdrawn and, accordingly, the Company will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Payment, plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, to the date of redemption. In determining whether the Holders of at least 90.0% of the aggregate principal of the then outstanding Notes have validly tendered and not withdrawn such Notes in a tender offer or other offer to purchase, such calculation shall include all Notes owned by an Affiliate of the Company (notwithstanding any provision of this Indenture to the contrary).

Section 4.10 *Additional Subsidiary Guarantees.*

If,

(1) the Company or any of its Subsidiaries acquires or creates another Wholly Owned Subsidiary after the Issue Date and such Wholly Owned Subsidiary Guarantees any Obligations of the Company under the Credit Agreement, or

(2) any Wholly Owned Subsidiary that does not Guarantee any Obligations of the Company under the Credit Agreement as of the date of the Indenture subsequently Guarantees any Obligations of the Company under the Credit Agreement, or

(3) if there is no Indebtedness of the Company outstanding under the Credit Agreement at that time, any Wholly Owned Subsidiary of the Company (including any newly acquired or created Wholly Owned Subsidiary) Guarantees any Obligations with respect to any other Material Indebtedness of the Company,

then such newly acquired or created Wholly Owned Subsidiary or Wholly Owned Subsidiary that subsequently fully and unconditionally Guarantees Obligations under the Credit Agreement or other Material Indebtedness of the Company, as the case may be, will become a Guarantor of the Notes and execute a supplemental indenture in the form attached hereto as Exhibit E and deliver an Opinion of Counsel satisfactory to the Trustee within 60 Business Days of the date on which it was acquired or created or guaranteed other Material Indebtedness of the Company, as the case may be.

Section 4.11 *Holding Company Status.*

The Parent Guarantor will not engage in any business, activity or transaction or own any interest (fee, leasehold or otherwise) in any real property, or incur, assume, or suffer to exist any Indebtedness other than:

- (1) the ownership of debt or Equity Interests in the Company;
- (2) maintaining its organizational existence;
- (3) participating in tax, accounting and other administrative activities as the parent of a consolidated group of companies, including the Company;
- (4) making distributions to holders of its debt or Equity Interests or contributions to the Company or any Subsidiary of the Company;
- (5) the performance of its obligations under the Exchange Agreement and similar agreements;
- (6) issuing a Guarantee in respect of, or otherwise becoming liable with respect to, Indebtedness incurred by Clearway Inc., the Company or any Subsidiary of the Company and the execution and delivery of any agreements related to the foregoing, including credit agreements, indentures, security agreements, and notes;
- (7) issuing equity securities and/or issuing or incurring Indebtedness, including to finance acquisitions; and
- (8) activities incidental to the businesses or activities described in clauses (1) through (7) above.

ARTICLE 5 SUCCESSORS

For purposes of the Notes, Article 5 hereof provides the terms upon which a Person can succeed the Obligations of the Company or the Guarantors. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms upon which a Person can succeed the obligations of the Company or the Guarantors, if any, to such Additional Securities, which may include some, all or none of the terms contained in this Article 5 hereof.

Section 5.01 *Merger, Consolidation or Sale of Assets.*

Neither the Parent Guarantor nor the Company shall, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Parent Guarantor or the Company is the surviving Person); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Parent Guarantor or the Parent Guarantor and its Subsidiaries taken as a whole or the Company or the Company and its Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

- (1) either:
 - (A) the Parent Guarantor or the Company, as the case may be, is the surviving Person; or

(B) the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company, as the case may be) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia;

(2) the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company, as the case may be) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Parent Guarantor or the Company, as the case may be, under the Notes and this Indenture pursuant to a supplemental indenture or other documents and agreements reasonably satisfactory to the Trustee; and

(3) immediately after such transaction, no Default or Event of Default exists.

In addition, neither the Parent Guarantor nor the Company will, directly or indirectly, lease all or substantially all of its and its respective Subsidiaries' properties or assets taken as a whole, in one or more related transactions, to any other Person.

This Section 5.01 shall not apply to:

(1) a merger of the Parent Guarantor or the Company, as the case may be, with an Affiliate solely for the purpose of reforming the Parent Guarantor or the Company, as the case may be, in another jurisdiction or forming a direct or indirect holding company of the Company that is a Wholly Owned Subsidiary of the Parent Guarantor; and

(2) any sale, transfer, assignment, conveyance, lease or other disposition of assets between or among the Parent Guarantor, the Company and their respective Subsidiaries, including by way of merger or consolidation.

Section 5.02 *Successor Entity Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Parent Guarantor, the Company and their respective Subsidiaries taken as a whole in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Parent Guarantor or the Company, as the case may be, is merged or to which such sale, assignment, transfer, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company or, as the case may be, the provisions of this Indenture referring to the "Parent Guarantor" shall refer instead to the successor Person and not to the Parent Guarantor), and may exercise every right and power of the Parent Guarantor or the Company, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Parent Guarantor or the Company, as the case may be, herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium, if any, and interest on, the Notes and that the predecessor Parent Guarantor shall not be relieved from its obligations under its Guarantee except in the case of a sale of all of the Company's or the Parent Guarantors assets, as the case may be, in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6
DEFAULTS AND REMEDIES

For purposes of the Notes, Article 6 hereof provides the terms of defaults and remedies. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms of defaults and remedies for such Additional Securities, which may include some, all or none of the terms contained in this Article 6 hereof.

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) default for 30 days in the payment when due of interest on the Notes;
- (2) default in the payment when due of the principal of, or premium, if any, on the Notes;
- (3) failure by the Company or any Guarantor for 60 days (or, in the case of any failure to comply with Section 4.03 of this Indenture, 120 days) after written notice to the Company given by the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes that are then outstanding, to comply with any of the agreements in this Indenture (other than a default referred to in clause (1) or (2) of this Section 6.01);
- (4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Guarantor (or the payment of which is Guaranteed by the Company or any Guarantor), whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:
 - (A) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “*Payment Default*”); or
 - (B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, exceeds the greater of (i) 1.5% of Total Assets and (ii) \$150.0 million; *provided* that this clause (4) shall not apply (i) to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness to a Person that is not an Affiliate of the Company and (ii) to the extent constituting Indebtedness, to any indemnification, guarantee or other credit support obligations of the Company or any of the Guarantors in connection with any Tax Equity Financing entered into by a non-Subsidiary Guarantor;

(5) except as permitted by this Indenture, any Guarantee of the Notes by any Guarantor (or any group of Guarantors) that, if Subsidiaries of the Company, would constitute a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor (or any group of Guarantors) that, if a Subsidiary of the Company, would constitute a Significant Subsidiary, or any Person acting on behalf of any Guarantor (or any group of Guarantors) that, if a Subsidiary of the Company, would constitute a Significant Subsidiary, shall deny or disaffirm its or their obligations under its or their Guarantee(s) of the Notes;

(6) the Company or any of the Guarantors that, if a Subsidiary of the Company, would constitute a Significant Subsidiary or any group of Guarantors that, if Subsidiaries of the Company, taken together, would constitute a Significant Subsidiary:

- (A) commences a voluntary case,
- (B) consents to the entry of an order for relief against it in an involuntary case,
- (C) consents to the appointment of a custodian of it or for all or substantially all of its property,
- (D) makes a general assignment for the benefit of its creditors, or
- (E) generally is not paying its debts as they become due; or

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Guarantor that, if a Subsidiary of the Company, would constitute a Significant Subsidiary or any group of Guarantors that, if Subsidiaries of the Company, taken together, would constitute a Significant Subsidiary;

(B) appoints a custodian of the Company or any Guarantor that, if a Subsidiary of the Company, would constitute a Significant Subsidiary or any group of Guarantors that, if Subsidiaries of the Company, taken together, would constitute a Significant Subsidiary for all or substantially all of the property of the Company or any such Guarantor; or

(C) orders the liquidation of the Company or any Guarantor that, if a Subsidiary of the Company, would constitute a Significant Subsidiary or any group of Guarantors that, if Subsidiaries of the Company, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (6) or (7) of Section 6.01 hereof, with respect to the Company, or any Guarantor of the Company that, if a Subsidiary of the Company, would constitute a Significant Subsidiary or any group of Guarantors of the Company that, if Subsidiaries of the Company, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium, if any, or interest on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the Trustee, rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Subject to certain limitations, Holders of a majority in principal amount of the Notes that are then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee in its exercise of any trust or power. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Securities or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, or interest on, the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest on, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under this Indenture, including without limitation, under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under this Indenture, including without limitation, under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default with respect to any Series of Securities has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action taken, suffered or omitted to be taken in respect of the Notes in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Paying Agent and the Registrar shall be entitled to the same protections, immunities and standard of care as are set forth in paragraphs (a), (b) and (c) of this section with respect to the Trustee.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care. No Depositary shall be deemed to be an attorney or agent of the Trustee and the Trustee shall not be responsible for any action or omission by any Depositary.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has received written notice thereof at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) In no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon. The Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity or failure to provide timely written direction.

(j) In no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture or any related documents because of circumstances beyond the Trustee's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Indenture or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Trustee's control whether or not of the same class or kind as specified above.

(l) The right of the Trustee to perform any discretionary act enumerated in this Indenture or any related document shall not be construed as a duty.

(m) The Trustee may earn compensation in the form of short-term interest on items like uncashed distribution checks (from the date issued until the date cashed), funds that the Trustee is directed not to invest, deposits awaiting investment direction or received too late to be invested overnight in previously directed investments.

(n) The rights, privileges, protections, immunities and benefits given to the Trustee hereunder, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not the Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default with respect to any Series of Securities occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee will mail to Holders of such Securities a notice of the Default or Event of Default within 90 days after it occurs or, if later, after a Responsible Officer has knowledge of any Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on, any Security, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Securities.

Section 7.06 *[Reserved]*

Section 7.07 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence, bad faith or willful misconduct. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium, if any, or interest on, particular Securities. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in clause (6) or (7) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) [Reserved]

(g) The Company's and Guarantors' obligations under this Section 7.07 shall survive the resignation or removal of the Trustee, any termination of this Indenture, including any termination or rejection of this Indenture in any insolvency or similar proceeding and the repayment of all the Securities.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Securities may remove the Trustee by so notifying the Trustee and the Company in writing at least 30 days prior to the effectiveness of such removal. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

For purposes of the Notes, Article 8 hereof provides the terms upon which legal defeasance and covenant defeasance can occur. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms upon which legal defeasance and covenant defeasance can occur for such Additional Securities, which may include some, all or none of the terms contained in this Article 8 hereof.

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, as evidenced by an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, or interest on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties, indemnities and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10 and 4.11 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Guarantees, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) and (4) hereof shall not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Company or any of its Subsidiaries or the Parent Guarantor is a party or by which the Company or any of its Subsidiaries or the Parent Guarantor is bound;

(6) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its written request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder of Securities, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Securities or the Subsidiary Guarantees:

- (1) to cure any ambiguity, mistake, defect or inconsistency;

(2) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided*, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code);

(3) to provide for the assumption of the Parent Guarantor's or the Company's Obligations to Holders of Securities in the case of a merger or consolidation or sale of all or substantially all of the Parent Guarantor's or the Company's assets, as the case may be;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Securities or that does not adversely affect the legal rights under this Indenture of any such Holder;

(5) to conform the text of this Indenture or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum, relating to the initial offering of the Notes;

(6) to evidence and provide for the acceptance and appointment under this Indenture of a successor trustee pursuant to the requirements hereof;

(7) to provide for the issuance of Additional Notes and Additional Securities in accordance with the limitations set forth in this Indenture as of the date hereof; or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Subsidiary Guarantee with respect to the Securities.

Upon the request of the Company accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including, without limitation, Section 4.09 hereof), the Notes and the Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Securities of each Series of Securities affected thereby (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, any Series of Securities), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on, any Securities, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities of each Series of Securities affected thereby (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, any Series of Securities). Section 2.09 hereof shall determine which Securities are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Company accompanied by a Board Resolution and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Securities as aforesaid, and upon receipt by the Trustee of an Officers' Certificate and Opinion of Counsel, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Securities under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail or deliver electronically to the Holders of Securities affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail or deliver such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Securities of any particular Series then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, the Securities or the Guarantees. However, without the consent of each Holder of any Security affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Security held by a non-consenting Holder):

- (1) reduce the principal amount of Securities whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Security or alter the provisions with respect to the redemption of the Securities (other than provisions relating to the covenants described in Section 4.09 hereof and provisions relating to the number of days' notice to be given in case of redemption);
- (3) reduce the rate of or change the time for payment of interest on any Security;
- (4) waive a Default or Event of Default in the payment of principal of, premium, if any, or interest on, any Security (except a rescission of acceleration of any Series of Securities by the Holders of at least a majority in aggregate principal amount of the then outstanding Securities of such Series and a waiver of the payment default that resulted from such acceleration);
- (5) make any Security payable in currency other than that stated in the Securities;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Securities to receive payments of principal of, premium, if any, or, interest on, the Securities;
- (7) waive a redemption payment with respect to any Security (other than a payment required by Sections 4.09 hereof); or
- (8) make any change in the preceding amendment and waiver provisions.

Section 9.03 *[Reserved]*

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder of a Security and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder of a Security or subsequent Holder of a Security may revoke the consent as to its Security if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Securities.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Security thereafter authenticated. The Company in exchange for all Securities may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Security will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10 GUARANTEES

For purposes of the Notes, Article 10 hereof provides the terms of the Guarantees of the Notes. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms of guarantees for such Additional Securities, which may include some, all or none of the terms contained in this Article 10 hereof.

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, fully and unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are full and unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 *Execution and Delivery of Guarantee.*

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an Officer whose signature is on this Indenture or on the Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Guarantee is endorsed, the Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 *[Reserved]*

Section 10.05 *Releases.*

(a) [RESERVED]

(b) The Subsidiary Guarantee of a Subsidiary Guarantor shall be released automatically:

(3) upon repayment in full of the Notes;

(4) upon defeasance or satisfaction and discharge of the Notes as provided in Sections 8.01, 8.02, 8.03, 8.04 and 11.01 hereof;

(5) upon a dissolution of a Subsidiary Guarantor that is permitted under this Indenture; or

(6) otherwise with respect to the Guarantee of any Subsidiary Guarantor:

(A) upon the prior consent of Holders of at least a majority in aggregate principal amount of the Notes then outstanding;

(B) if the Company has Indebtedness outstanding under the Credit Agreement at that time, upon the consent of the requisite lenders under the Credit Agreement to the release of such Subsidiary Guarantor's Guarantee of all Obligations under the Credit Agreement, or, if there is no Indebtedness of the Company outstanding under the Credit Agreement at that time, upon the requisite consent of the Holders of all other Material Indebtedness of the Company that is guaranteed by such Subsidiary Guarantor at that time outstanding to the release of such Subsidiary Guarantor's Guarantee of all Obligations with respect to all such other Material Indebtedness that is guaranteed by such Subsidiary Guarantor at that time outstanding; or

(C) if the Company has Indebtedness outstanding under the Credit Agreement at that time, upon the release of such Subsidiary Guarantor's Guarantee of all Obligations of the Company under the Credit Agreement, or, if there is no Indebtedness of the Company outstanding under the Credit Agreement at that time, upon the release of such Subsidiary Guarantor's Guarantee of all Obligations with respect to all other Material Indebtedness of the Company at that time outstanding.

(c) The Guarantee of a Guarantor shall be released with respect to the Notes automatically upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture pursuant to Articles 8 and 11 hereof.

(d) Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that the action or event giving rise to the applicable release has occurred or was made by the Company in accordance with the provisions of this Indenture the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Guarantee.

(e) Any Guarantor not released from its obligations under its Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of, premium, if any, and interest on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11 SATISFACTION AND DISCHARGE

For purposes of the Notes, Article 11 hereof provides the terms upon which satisfaction and discharge can occur. For purposes of any Additional Securities issued under this Indenture, the Supplemental Indenture in respect of such Additional Securities will specify the terms upon which satisfaction and discharge can occur for such Additional Securities, which may include some, all or none of the terms contained in this Article 11 hereof.

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for such Notes for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the distribution of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) in respect of subclause (b) of clause (1) of this Section 11.01, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium, if any, or interest on, any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Section 12.12 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. (1) *INTEREST.* Clearway Energy Operating LLC, a Delaware limited liability company (the “*Company*”), promises to pay interest on the principal amount of this Note at 5.750% per annum from _____, ____ until maturity. The Company shall pay interest semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further*, that the first Interest Payment Date shall be _____. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the January 1 and July 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, interest at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium, if any, and interest on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, CSC Delaware Trust Company, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries or parent entities may act as Paying Agent or Registrar.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of January 13, 2026 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

¹ This Note will be deemed to be identified by CUSIP No. 18539U AJ4 from and after such time when the Company delivers, pursuant to Section 2.06(g) (1)(C) of the within-mentioned Indenture, an Officer’s Certificate to the Trustee certifying as to the occurrence of the conditions for the deemed removal of the Private Placement Legend affixed to this Note.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to January 15, 2029, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes, upon not less than 10 nor more than 60 days' notice, at a redemption price equal to 105.750% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the redemption date, with an amount equal to the net cash proceeds of one or more Equity Offerings, subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date; *provided that*:

(i) at least 50% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company, its Subsidiaries and parent entities) remains outstanding immediately after the occurrence of such redemption; and

(ii) the redemption occurs within 180 days of the date of the closing of such equity offering.

(b) At any time prior to January 15, 2029, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 10 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest, if any, to the applicable date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Company's option prior to January 15, 2029.

(d) On or after January 15, 2029, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 10 nor more than 60 days' prior notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on January 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2029	102.875%
2030	101.438%
2031 and thereafter	100.000%

(e) Any redemption pursuant to this Section 5 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

(f) The provisions of Article 3 of the Indenture do not prohibit the Company or its Affiliates from acquiring the Notes in market transactions by means other than a redemption, whether pursuant to a tender offer or otherwise.

(6) *MANDATORY REDEMPTION.* The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) Upon the occurrence of a Change of Control Triggering Event, the Company will make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000) of that Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date (the “*Change of Control Payment*”). Within 30 days following any Change of Control, the Company will mail (or deliver electronically) a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(8) *NOTICE OF REDEMPTION.* At least 10 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, or deliver electronically, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed or delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. 6. EFFECT OF HEADINGS. The Section headings herein are for convenience only and shall not affect the construction hereof.

7. THE TRUSTEE. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Guaranteeing Subsidiary and the Company.
