This Agreement has been duly and validly executed and delivered by Seller and constitutes the legal, valid and binding obligations of Seller enforceable against Seller in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, arrangement, moratorium or other similar Laws relating to or affecting the rights of creditors generally, or by general equitable principles.

(c) **No Consent.** Except as set forth on *Schedule 3.01(c)* of the Disclosure Schedules (the “*Seller Consents*”), and except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or would not reasonably be expected to adversely affect the ability of Seller to consummate the transactions contemplated by this Agreement or to perform its obligations hereunder, the execution, delivery and performance by Seller of this Agreement does not require Seller to obtain any consent, approval or action of or give any notice to any Person as a result or under any terms, conditions or provisions of any Contract or Permit by which it is bound.

(d) **No Conflicts.** The execution, delivery and performance of this Agreement by Seller does not and will not (i) conflict with, result in a breach of, or constitute a default under, the Constitutive Documents of Seller or the Company or any material Contract to which Seller, or Company Contract to which the Company or the Mesquite Sky Entities, is a party; (ii) result in the creation of any Lien upon any of the Acquired Interests or, solely on the Second Closing Date, the Class A Interests or assets or properties of the Company or the Mesquite Sky Entities; (iii) accelerate or modify, or give any party the right to accelerate or modify, the time within which, or the terms under which, any duties or obligations are to be performed by Seller, the Company or the Mesquite Sky Entities or any rights or benefits are to be received by any Person, under any Contract to which Seller, the Company or the Mesquite Sky Entities is a party; or (iv) violate in any material respect any applicable Law.

(e) **Regulatory Matters.** Except as set forth on *Schedule 3.01(e)* of the Disclosure Schedules (“*Seller Approvals*”), no Governmental Approval is required on the part of Seller, the Company or the Mesquite Sky Entities in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated by this Agreement.

(f) **Legal Proceedings.** Except as set forth in *Schedule 3.01(f)* of the Disclosure Schedules, and except for Actions or Proceedings in respect of Environmental Laws that are governed exclusively by *Section 3.01(p)(ii)*, there are no Actions or Proceedings pending or, to the Knowledge of Seller, threatened, as of the date of this Agreement against Seller, the Company or the Mesquite Sky Entities that (i) affect Seller, the Company or the Mesquite Sky Entities or any of their assets or properties (including the Project), except, solely in respect of Seller, which would not reasonably be expected to have a material adverse effect on Seller’s ability to perform under this Agreement or (ii) would reasonably be expected to result in the issuance of an Order restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement. None of Seller, the Company or the Mesquite Sky Entities is subject to any Order which materially restricts the operation of its business or which would reasonably be expected to have a Material Adverse Effect.

(ii) All of the issued and outstanding Acquired Interests are owned directly, beneficially and of record by Seller free and clear of all Liens, except as set forth on *Schedule 3.01(i)(ii)* of the Disclosure Schedules. (cc) **No Other Warranties.** EXCEPT FOR THE WARRANTIES SET FORTH HEREIN, THE ACQUIRED INTERESTS AND THE CLASS A INTERESTS ARE BEING SOLD HEREUNDER ON AN “AS IS,” “WHERE IS” BASIS. THE WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, WRITTEN OR ORAL, EXPRESS OR IMPLIED; SELLER PROVIDES NO OTHER WARRANTIES WITH RESPECT TO THE ACQUIRED INTERESTS, THE CLASS A INTERESTS, THE COMPANY, THE PROJECT, THE MESQUITE SKY ENTITIES, THE ASSETS OF THE COMPANY, OR THE ASSETS OF THE MESQUITE SKY ENTITIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. Purchaser has full power and authority to execute and deliver this Agreement and each other agreement required to be executed by it pursuant to the terms hereof, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby and to own or lease its assets and properties and to carry on its business as currently conducted.

(b) **Authority.** All actions or proceedings necessary to authorize the execution and delivery by Purchaser of this Agreement, and the performance by Purchaser of its obligations hereunder, have been duly and validly taken. This Agreement has been duly and validly executed and delivered by Purchaser and constitutes legal, valid and binding obligation of Purchaser enforceable against Purchaser in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, arrangement, moratorium or other similar Laws relating to or affecting the rights of creditors generally, or by general equitable principles.

(c) **No Consent.** Except as disclosed on *Schedule 3.02(c)* of the Disclosure Schedules, and except as would not, individually or in the aggregate, reasonably be expected to adversely affect the ability of Purchaser to consummate the transactions contemplated by this Agreement or to perform its obligations hereunder, the execution, delivery and performance by Purchaser of this Agreement does not require Purchaser to obtain any consent, approval or action of or give any notice to any Person as a result or under any terms, conditions or provisions of any Contract by which it is bound.

(d) **No Conflicts.** The execution, delivery and performance of this Agreement by Purchaser does not and will not (i) conflict with, result in a breach of, or constitute a default under, Purchaser's Constitutive Documents, or any material Contract to which Purchaser is a party, (ii) result in the creation of any Lien upon any of the assets or properties of Purchaser or (iii) accelerate or modify, or give any party the right to accelerate or modify, the time within which, or the terms under which, any duties or obligations are to be performed by Purchaser, or any rights or benefits are to be received by any Person, under any material Contract to which Purchaser is a party.

(e) **Permits and Filings.** Except as disclosed on *Schedule 3.02(e)* of the Disclosure Schedules, no Permit is required on the part of Purchaser in connection with the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby or thereby or any borrowing or other action by Purchaser or any of its Affiliates in connection with obtaining or maintaining sufficient financing to provide the payment of the Purchase Price.

(f) **Legal Proceedings.** There are no Actions or Proceedings pending or, to the knowledge of Purchaser, threatened as of the date of this Agreement against Purchaser that affects Purchaser or any of its assets or properties which would reasonably be expected to result in the issuance of an Order restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement.

(g) **Purchase for Investment.** Purchaser (i) is acquiring the Acquired Interests and as of the Second Closing Date, the Class A Interests, for its own account and not with a view to distribution, (ii) is an "accredited investor" as such term is defined in Rule 501(a) under the Securities Act of 1933, (iii) has sufficient knowledge and experience in financial and business matters so as to be able to evaluate the merits and risk of an investment in the Acquired Interests and the Class A Interests and is able financially to bear the risks thereof, and (iv) understands that the Acquired Interests and the Class A Interests will, upon purchase, be characterized as "restricted securities" under state and federal securities laws and that under such laws and applicable regulations the Acquired Interests and the Class A Interests may be resold without registration under such laws only in certain limited circumstances. Purchaser agrees that it will not sell, convey, transfer or dispose of the Acquired Interests or the Class A Interests, unless such transaction is made pursuant to an effective registration statement under applicable federal and state securities laws or an exemption from registration requirements of such securities laws.

(h) **Brokers.** Except as set forth on *Schedule 3.02(h)* of the Disclosure Schedules, no Person has any claim against Purchaser for a finder's fee, brokerage commission or similar payment directly or indirectly in connection with the transactions contemplated by this Agreement.

(i) **Governmental Approvals.** Except as set forth on *Schedule 3.02(i)* of the Disclosure Schedules or which have already been obtained, no Governmental Approval is required on the part of Purchaser in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby.

(j) **Compliance with Laws.** Purchaser is not in material violation of any Law except where any such material violation would not in the aggregate reasonably be expected to have a material adverse effect on Purchaser's ability to satisfy its obligations under this Agreement.

(k) **Due Diligence.** Purchaser, or its Representatives, have had the opportunity to conduct all such due diligence investigations of the Acquired Interests, the Class A Interests, the Company, the Mesquite Sky Entities and the Project as they deemed necessary or advisable in connection with entering into this Agreement and the related documents and the transactions contemplated hereby and thereby. PURCHASER HAS RELIED SOLELY ON ITS INDEPENDENT INVESTIGATION AND THE REPRESENTATIONS AND WARRANTIES MADE BY SELLER IN SECTION 3.01 IN MAKING ITS DECISION TO ACQUIRE THE ACQUIRED INTERESTS AND THE CLASS A INTERESTS AND HAS NOT RELIED ON ANY OTHER STATEMENTS OR ADVICE FROM SELLER OR ITS REPRESENTATIVES.

Without limiting the generality of the foregoing, (A) prior to the first sale of test power from the Project, Project Company shall have obtained EWG status and (B) Project Company shall register as a Power Generation Company and certify as a REC generator pursuant to the requirements of PURA. Seller shall promptly provide Purchaser with a copy of any filing, order or other document delivered to or received from any Governmental Authority or other Person relating to the obtaining of any such Permits, consents, approvals, or actions of Governmental Authorities and other Persons. Seller shall provide a status report to Purchaser upon the reasonable request of Purchaser. Seller shall use commercially reasonable efforts not to cause its Representatives, or the Company, the Mesquite Sky Entities or other Affiliates of Seller or any of their respective Representatives, to take any action which would reasonably be expected to materially and adversely affect the likelihood of any approval or consent required to consummate the transactions contemplated hereby. Seller shall bear its own costs and legal fees contemplated by this Section 5.01.

5.02. Access to Information. From the Execution Date and continuing until the earlier of the termination of this Agreement or the Closing Date (the “*Interim Period*”), Seller shall at all reasonable times and upon reasonable prior notice during regular business hours make the properties, assets, books and records pertaining to the Company and the Mesquite Sky Entities, the Acquired Interests or the Project reasonably available for examination, inspection and review by Purchaser and its Representatives; *provided, however*, that (a) Purchaser and its Representatives shall be subject to customary confidentiality undertakings with respect to any such information or access made available, (b) for any site visit or access, Purchaser and its Representatives will agree to comply with all safety and other policies and procedures disclosed to it while conducting such visit or access, and (c) Purchaser’s and its Representatives’ inspections and examinations shall not unreasonably disrupt the normal operations of Seller, the Company, the Mesquite Sky Entities or the Project and shall be at Purchaser’s sole cost and expense; and *provided further* that neither Purchaser, nor any of its Affiliates or Representatives, shall conduct any intrusive environmental site assessment or activities with respect to the Company or the Mesquite Sky Entities or their properties without the prior written consent of Seller.

(c) Notwithstanding anything to the contrary in this *Section 5.04*, an action taken by Seller or any of the Mesquite Sky Entities in accordance with *Section 5.12* shall in no event be deemed a breach of this *Section 5.04*.

5.05. *Fulfillment of Conditions.* Each Party shall take all commercially reasonable steps necessary or desirable, and proceed diligently and in good faith to satisfy each other condition to the obligations of the other Party contained in this Agreement.

Notwithstanding anything to the contrary contained in this *Section 5.06*, if the Parties are in an adversarial relationship in litigation or arbitration, the furnishing of any documents or information in accordance herewith shall be solely subject to applicable rules relating to discovery and the remainder of this *Section 5.06* shall not apply.

(a) Purchaser acknowledges that Seller and certain Affiliates have provided certain credit support pursuant to the support obligations and related agreements described on *Schedule 3.01(y)* of the Disclosure Schedules (the "*Support Obligations*"). From the Execution Date and continuing until the earlier of the termination of this Agreement or the replacement and/or release of each Support Obligation, Purchaser shall use commercially reasonable efforts to negotiate a replacement of each Support Obligations (each, a "*Substitute Support Obligation*") with the beneficiary thereof and/or to effect the complete and unconditional release of such Support Obligation in a manner reasonably satisfactory to Purchaser, Seller and the beneficiary thereof, including by means of a letter of credit, escrow, posting a bond or cash deposit or other arrangements. The effective date of the Substitute Support Obligations shall be no earlier than the Closing Date.

(c) To the extent there is a Retained Support Obligation, Purchaser shall (i) indemnify and hold harmless Seller and its Affiliates (as applicable) from and against any and all Losses that may be suffered, incurred or sustained by any of them or to which any of them become subject, resulting from a claim on any such Retained Support Obligation after the Closing Date and arising out of or relating to the business, operations, properties, assets or obligations of the Company or the Mesquite Sky Entities conducted, existing or arising after the Closing (including as a result of any draw or demand for or making of any payment by Seller or any such Affiliate of Seller under any Support Obligation), (ii) diligently continue to seek the release, termination and replacement of such Support Obligation, and (iii) reimburse Seller or its Affiliates (as applicable) for the actual out-of-pocket costs of, and fees paid by, Seller or its Affiliates in maintaining such Retained Support Obligation accruing at any time after the Closing and until such time as such Retained Support Obligation is replaced; *provided* that Purchaser’s indemnification obligations under clause (i) shall not affect Seller’s indemnification obligations under *Section 5.07(d)* or *Section 6.01*.

(b) All real property Taxes, personal property Taxes and similar obligations of the Company and Mesquite Sky Entities imposed by any Governmental Authority that are due or become due for Tax periods within which the Closing Date occurs shall be apportioned between Seller for the pre-Closing Date period (which shall include the Closing Date), on the one hand, and the Company (or the applicable Mesquite Sky Entity) for the post-Closing Date period, on the other hand, as of the Closing Date, based upon the actual number of days of the Tax period that have elapsed before and after the Closing Date, and any income Taxes imposed on the Company and the Mesquite Sky Entities shall be allocated between the pre-Closing Date period and the post-Closing Date period as though a taxable year of the Company and the Mesquite Sky Entities (as applicable) has ended on (and includes) the Closing Date (collectively, the “*Apportioned Obligations*”). Seller shall be responsible for the portion of such Apportioned Obligations attributable to the period ending on (and including) the Closing Date. The Company (or the applicable Mesquite Sky Entity) shall be responsible for the portion of such Apportioned Obligations attributable to the period beginning after the Closing Date. After the Closing Date, the Company shall, at its sole cost and expense, timely prepare and file, or cause to be timely prepared and filed, with the appropriate authorities all other Tax Returns required to be filed by the Company and the Mesquite Sky Entities, as applicable, and pay all Taxes shown to be due thereon.

(d) Seller and Purchaser shall reasonably cooperate, and shall cause their respective Affiliates, employees and agents reasonably to cooperate, in preparing and filing all Tax Returns of the Company and applicable Mesquite Sky Entities, including maintaining and making available to each other all records that are necessary for the preparation of any Tax Returns that the Party is required to file under this *Section 5.08*, and in resolving all Actions or Proceedings, and audits or examinations with respect to such Tax Returns.

5.09. No Solicitation. Until the Closing, Seller shall not, and shall not authorize or permit the Company, the Mesquite Sky Entities, any of its or their Affiliates or any of its or their Representatives to, directly or indirectly, (a) encourage, solicit, initiate, facilitate or continue inquiries regarding an Acquisition Proposal, (b) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal or (c) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. Seller shall immediately cease and cause to be terminated, and shall cause the Company, the Mesquite Sky Entities, any of its and their Affiliates and all of its and their Representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal. For purposes hereof, “*Acquisition Proposal*” shall mean (other than with respect to the transactions contemplated by the Tax Equity Agreement, the Financing Documents and the HASI Purchase Agreement) any inquiry, proposal or offer from any Person concerning (i) a merger, consolidation, liquidation, recapitalization, share exchange or other business combination transaction involving the Company or the Mesquite Sky Entities, (ii) the issuance or acquisition of equity securities of the Company or the Mesquite Sky Entities, or (iii) the sale, lease, exchange or other disposition of any significant portion of the Company’s or the Mesquite Sky Entities’ properties or assets.

5.10. [Reserved]

(i) With respect to the Financing Agreement and the Tax Equity Agreement: (A) to the extent such Financing Document is in a form that deviates in any material respect from the latest form of such Financing Document provided to Purchaser prior to the Execution Date (provided that, for the avoidance of doubt, any deviation in those certain conditions to the obligations of the Tax Equity Investor set forth in Article V of such form of Tax Equity Agreement shall be deemed a material deviation), enter into such Financing Document only upon the prior written consent of Purchaser; or (B) to the extent such Financing Document is not otherwise subject to the terms and conditions of the foregoing clause (A), enter into such Financing Document without the necessity of Purchaser's prior consent in any respect; and

(ii) With respect to each Ancillary Document: (A) to the extent such Ancillary Document is (1) material to the Company and/or applicable Mesquite Sky Entity and such Ancillary Document is not designated with an asterisk on *Schedule 1.03* or (2) has been designated with an asterisk but deviates in any material respect from the latest form of such Ancillary Document provided to Purchaser prior to the Execution Date, enter into such Ancillary Document only upon the prior written consent of Purchaser (which consent shall not be unreasonably withheld or delayed); or (B) to the extent such Ancillary Document is not subject to the terms and conditions of the foregoing clause (A), enter into such Ancillary Document without the necessity of Purchaser's consent in any respect.

(b) Following entry into any Financing Document or Ancillary Document, Seller shall promptly provide to Purchaser a true, complete and correct copy of such Contract or document.

**ARTICLE 6
INDEMNIFICATION**

6.01. Indemnification by Seller. Seller hereby indemnifies and holds harmless the Purchaser Indemnified Parties in respect of, and holds each of them harmless from and against, any and all Losses suffered, incurred or sustained by any of them or to which any of them become subject, resulting from, arising out of or related to (a) any breach of any representation, warranty, covenant, agreement or obligation made by Seller in this Agreement or any certificate delivered by Seller pursuant to this Agreement, (b) the matters referenced on *Schedule 6.01(b)*; provided, however, that the foregoing indemnity shall not apply to Losses to the extent caused by the gross negligence or willful misconduct of Purchaser Indemnified Parties or their agents, officers, employees or contractors (c) any payment obligations of the Class B Member under Section 11.1(a)(x) of the limited liability company agreement of TE Holdco or (d) any payment obligations under the Tax Equity Guaranty above the Guaranty Cap (as defined in the Tax Equity Guaranty) resulting from fraud, gross negligence or willful misconduct of Apex Clean Energy Holdings, LLC or any of its affiliates.

6.02. Indemnification by Purchaser. Purchaser hereby indemnifies and holds harmless the Seller Indemnified Parties in respect of, and holds each of them harmless from and against, any and all Losses suffered, incurred or sustained by any of them or to which any of them become subject, resulting from, arising out of or relating to any breach by Purchaser of any representation, warranty, covenant, agreement or obligation made by Purchaser in this Agreement or any certificate delivered by Purchaser pursuant to this Agreement; *provided, however*, that the foregoing indemnity shall not apply to Losses to the extent caused by the gross negligence or willful misconduct of Seller Indemnified Parties or their agents, officers, employees or contractors.

6.03. Survival of Representations, Warranties, Covenants and Agreements. The representations, warranties, covenants, agreements and obligations of Seller and Purchaser contained in this Agreement are material, were relied on by such Parties, and will survive the Closing Date and the Second Closing Date as provided in this *Section 6.03*. Subject to the limitations and other provisions of this Agreement: (a) the representations and warranties contained herein and made as of the Execution Date or the Closing Date shall survive the Closing for twelve (12) months after the Closing Date, *provided that* (i) the representations and warranties contained in *Section 3.01(a)* (Existence), *Section 3.01(b)* (Authority), *Section 3.01(g)* (Brokers) and *Sections 3.01(i)(i), (ii), (v) and (ix)* (Company and Mesquite Sky Entities) given on the Closing Date (collectively, the “*Seller Closing Date Fundamental Representations*”) and *Section 3.02(a)* (Existence), *Section 3.02(b)* (Authority) and *Section 3.02(h)* (Brokers) shall survive the Closing for five (5) years after the Closing Date and (ii) the representations and warranties in *Section 3.01(k)* (Taxes) shall survive the Closing until thirty (30) days after the expiration of the applicable Tax statute of limitations; and (b) the representations and warranties contained herein and made as of the Second Closing Date shall survive the Second Closing for twelve (12) months after the Second Closing Date; *provided that* the representations and warranties contained in *Section 3.01(a)* (Existence), *Section 3.01(b)* (Authority), *Section 3.01(g)* (Brokers), *Sections 3.01(i)(x), 3.01(i)(xi) and 3.01(i)(xii)* (Company and Mesquite Sky Entities) given on the Second Closing Date (collectively, the “*Seller Second Closing Date Fundamental Representations*”) and, together with the Seller Closing Date Fundamental Representations, the “*Seller Fundamental Representations*”) and *Section 3.02(a)* (Existence) and *Section 3.02(b)* (Authority) shall survive the Closing for five (5) years after the Second Closing Date. The covenants, agreements and obligations in this Agreement to be performed shall survive until the date on which they have been fully performed. No claim under this Agreement may be made unless such Party shall have delivered, with respect to any claim under *Section 6.01* or *Section 6.02* a written notice of claim prior to the applicable survival expiration date; *provided that*, if written notice for a claim of indemnification has been provided by the Indemnified Party pursuant to *Section 6.04(a)* on or prior to the applicable survival expiration date, then the obligation of the Indemnifying Party to indemnify the Indemnified Party pursuant to this *Article 6* shall survive with respect to such claim until such claim is finally resolved.

6.04. Limitations on Claims.

(a) An Indemnifying Party shall have no obligation to indemnify an Indemnified Party until the aggregate amount of all Losses incurred that are subject to indemnification by such Indemnifying Party pursuant to this *Article 6* equal or exceed [***] of the portion of the Purchase Price paid by Purchaser as of such date (the “*Deductible*”) in which event the Indemnifying Party shall be liable for Losses only to the extent they are in excess of the Deductible; *provided that* the Deductible shall not apply to Losses resulting from, arising out of or relating to (i) any Fraudulent Action or (ii) the matters referenced on *Schedule 6.01(b)*.

(b) The aggregate liability of the Seller Indemnifying Parties and the Purchaser Indemnifying Parties under this *Article 6* resulting from any claims under any breaches of representations or warranties herein and in any certificates delivered pursuant hereto, shall be limited to an amount equal to [***] of the portion of the Purchase Price paid by Purchaser as of such date (the “Cap”); *provided* that the Cap shall not apply to Losses resulting from, arising out of or relating to (i) any Fraudulent Action or (ii) a breach of the Seller Fundamental Representations; *provided, further*, that the aggregate liability of the Seller Indemnifying Parties resulting from the Seller Fundamental Representations *plus* any other Losses resulting from any claims under breaches of representations or warranties herein and in any certificates delivered pursuant hereto shall be limited to an amount equal to the portion of the Purchase Price paid by Purchaser as of such date. For the avoidance of doubt, the foregoing limitation will not apply to Losses resulting from, arising out of or relating to (i) any breach of any covenant, agreement or obligation made herein or any certificate delivered pursuant hereto or (ii) the matters referenced on *Schedule 6.01(b)*.

(c) The amount of any claim pursuant to this *Article 6* will be reduced by the amount of any insurance proceeds actually recovered (less the cost to collect the proceeds of such insurance and the amount, if any, of any retroactive or other premium adjustments reasonably attributable thereto) and the amount of any Tax benefit (which for this purpose means any reduction in cash Taxes payable that would otherwise be due or the receipt of a refund of Taxes by the Indemnified Parties (or, in the case of an Indemnified Party that is either a disregarded entity, partnership or other pass-through entity for U.S. federal income tax purposes, the ultimate taxpayer(s) with respect to such entity), in each case only with respect to the taxable year in which the Loss was incurred or paid) to the Indemnified Party in respect of such claim or the facts or events giving rise to such indemnity obligation. If the Indemnified Party realizes such Tax benefit after the date on which an indemnity payment has been made to the Indemnified Party, the Indemnified Party shall promptly make payment to the Indemnifying Party in an amount equal to such Tax benefit; *provided* that such payment shall not exceed the amount of the indemnity payment.

6.05. Procedure for Indemnification of Third Party Claims.

(a) **Notice.** Whenever any claim by a third party shall arise for indemnification under this *Article 6*, the Indemnified Party shall promptly notify the Indemnifying Party of the claim and, when known, the facts constituting the basis for such claim and, if known, the notice shall specify the amount or an estimate of the amount of the liability arising therefrom. The Indemnified Party shall provide to the Indemnifying Party copies of all material notices and documents (including court papers) received or transmitted by the Indemnified Party relating to such claim. The failure or delay of the Indemnified Party to deliver prompt written notice of a claim shall not affect the indemnity obligations of the Indemnifying Party hereunder, except to the extent the Indemnifying Party was actually disadvantaged by such failure or delay in delivery of notice of such claim.

(b) **Settlement of Losses.** If the Indemnified Party has assumed the defense of any claim by a third party which may give rise to indemnity hereunder pursuant to *Section 6.06(c)*, the Indemnified Party shall not settle, consent to the entry of a judgment of or compromise such claim without the prior written consent (which consent shall not be unreasonably withheld or delayed) of the Indemnifying Party.

6.06. Rights of the Indemnifying Party in the Defense of Third Party Claims.

(a) **Right to Assume the Defense.** In connection with any claim by a third party which may give rise to indemnity hereunder, the Indemnifying Party shall have thirty (30) days after the date the Indemnifying Party is notified of such claim by the Indemnified Party to assume the defense of any such claim, which defense shall be prosecuted by the Indemnifying Party to a final conclusion or settlement in accordance with the terms hereof.

(b) **Procedure.** If the Indemnifying Party assumes the defense of any such claim, the Indemnifying Party shall (i) select counsel reasonably acceptable to the Indemnified Party to conduct the defense of such claim and (ii) take all steps necessary in the defense or settlement thereof, at its sole cost and expense. The Indemnified Party shall be entitled to participate in (but not control) the defense of any such claim, with its own counsel and at its sole cost and expense; *provided* that, if the claim includes allegations for which the Indemnifying Party both would and would not be obligated to indemnify the Indemnified Party, the Indemnifying Party and the Indemnified Party shall in that case jointly assume the defense thereof. The Indemnified Party and the Indemnifying Party shall fully cooperate with each other and their respective counsel in the defense or settlement of such claim. The Party in charge of the defense shall keep the other Party apprised at all times as to the status of the defense or any settlement negotiations with respect thereto.

(c) **Settlement of Losses.** The Indemnifying Party shall not consent to a settlement of or the entry of any judgment arising from, any such claim or legal proceeding, without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed).

(d) **Decline to Assume the Defense.** The Indemnified Party may defend against any such claim, at the sole cost and expense of the Indemnifying Party, in such manner as it may deem reasonably appropriate, including settling such claim in accordance with the terms hereof if (i) the Indemnifying Party does not assume the defense of any such claim resulting therefrom within thirty (30) days after the date the Indemnifying Party is notified of such claim by the Indemnified Party or (ii) the Indemnified Party reasonably concludes that the Indemnifying Party is (A) not diligently defending the Indemnified Party, (B) not contesting such claim in good faith through appropriate proceedings or (C) has not taken such action (including the posting of a bond, deposit or other security) as may be necessary to prevent any action to foreclose a Lien against or attachment of any asset or property of the Indemnified Party for payment of such claim; *provided* that in the case of this clause (ii), the Indemnified Party will provide written notice to the Indemnifying Party of Indemnified Party's conclusion, and Indemnifying Party shall have failed to take the applicable actions within thirty (30) days of such written notice.

6.07. Direct Claims. In the event that any Indemnified Party has a claim against any Indemnifying Party which may give rise to indemnity hereunder that does not involve a claim brought by a third party, the Indemnified Party shall promptly notify the Indemnifying Party of the claim and the facts constituting the basis for such claim and, if known, the amount or an estimate of the amount of the liability arising therefrom. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days from receipt of such claim notice that the Indemnifying Party disputes such claim, the amount of such claim shall be conclusively deemed a liability of the Indemnifying Party hereunder; *provided, however*, if the Indemnifying Party does notify the Indemnified Party that it disputes such claim within the required thirty (30) day period, the Parties shall attempt in good faith to agree upon the rights of the respective Parties with respect to such claim. If the Parties should so agree, a memorandum setting forth such agreement shall be prepared and signed by both Parties. If such Parties shall not agree, the Indemnified Party shall be entitled to take any action in law or in equity as such Indemnified Party shall deem necessary to enforce the provisions of this *Article 6* against the Indemnifying Party.

6.08. Exclusive Remedy. Absent any Fraudulent Action, the indemnities set forth in this *Article 6* shall be the exclusive remedies of Purchaser and Seller and their respective members, officers, directors, employees, agents and Affiliates due to misrepresentation, breach of warranty, nonfulfillment or failure to perform any covenant or agreement contained in this Agreement, and the Parties shall not be entitled to a rescission of this Agreement or to any further indemnification rights or claims of any nature whatsoever in respect thereof, all of which the Parties hereto hereby waive.

6.09. Mitigations.

(a) Each of the Parties agrees to take all commercially reasonable steps to mitigate their respective Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Losses that are indemnifiable hereunder.

(b) Upon making any payment to the Indemnified Party for any indemnification claim pursuant to this *Article 6*, the Indemnifying Party shall be subrogated, to the extent of such payment, to any rights which the Indemnified Party may have against any third parties with respect to the subject matter underlying such indemnification claim and the Indemnified Party shall assign any such rights to the Indemnifying Party.

6.10. Indemnity Treatment. Any amount of indemnification payable pursuant to the provisions of this *Article 6* shall, to the extent permitted by law, be treated as an adjustment to the Purchase Price (as determined for all relevant Tax purposes).

**ARTICLE 7
TERMINATION**

7.01. Termination. This Agreement may be terminated at any time prior to the Closing Date as follows:

(a) This Agreement may be terminated at any time prior to the Closing Date as follows:

(i) by mutual written consent of Seller and Purchaser;

(ii) by either Party if the Closing has not occurred on or before March 31, 2022 (the “*Outside Date*”), and the failure to reach the Closing Date was not caused by a breach of this Agreement by the terminating Party;

(iii) by Purchaser if there has been a breach by Seller of any representation, warranty, covenant or agreement contained in this Agreement that (i) would result in a failure of a condition set forth in *Section 4.01*, as applicable, and (ii) either (x) is a breach of Seller’s obligations to transfer the Acquired Interests at Closing in accordance with this Agreement or (y) such breach has not been cured, or by its nature cannot be cured, within thirty (30) days following written notification thereof; *provided, however*, that if, at the end of such thirty (30) day period, Seller is endeavoring in good faith, and proceeding diligently, to cure such breach, Seller shall have an additional thirty (30) days in which to effect such cure;

(iv) by Seller if there has been a breach by Purchaser of any representation, warranty, covenant or agreement contained in this Agreement that (i) would result in a failure of a condition set forth in *Section 4.01*, as applicable, and (ii) such breach has not been cured, or by its nature cannot be cured, within 30 days following written notification thereof; *provided, however*, that if, at the end of such thirty (30) day period, Purchaser is endeavoring in good faith, and proceeding diligently, to cure such breach, Purchaser shall have an additional thirty (30) days in which to effect such cure; and

(v) by Purchaser if there has been a breach by Seller of its covenant in *Section 5.12(a)* with respect to the Financing Documents; *provided*, that such breach was not caused by a breach by Purchaser of the terms and conditions with respect to its granting of consent under *Section 5.12(a)*, as applicable.

(b) This Agreement may be terminated, solely with respect to Purchaser's obligations to purchase the Class A Interests from Seller for the Class A Purchase Price and subsequently contribute such Class A Interests to the Master JV HoldCo, at any time prior to the Second Closing Date as follows:

(i) by either Party if the Closing has not occurred on or before Outside Date, and the failure to reach the Closing Date was not caused by a breach of this Agreement by the terminating Party.

7.02. Effect of Termination.

(a) If this Agreement is validly terminated pursuant to *Section 7.01*, this Agreement will forthwith become null and void, and there will be no liability or obligation on the part of either Purchaser or Seller (or any of their respective Representatives or Affiliates) in respect of this Agreement, except that the applicable portions of this *Section 7.02*, and the entirety of *Article 6* and *Article 8* will continue to apply following any termination; *provided, however*, that nothing in this *Section 7.02* shall release any Party from liability for any breach of this Agreement by such Party prior to the termination of this Agreement (and any attempted termination by the breaching Party shall be void).

(b) If Purchaser's obligations to purchase the Class A Interests from Seller for the Class A Purchase Price and subsequently contribute such Class A Interests to the Master JV HoldCo are validly terminated pursuant to *Section 7.01(b)*, such obligations will forthwith become null and void, and there will be no liability or obligation on the part of either Purchaser or Seller (or any of their respective Representatives or Affiliates) in respect of such obligations, except that the applicable portions of this *Section 7.02*, and the entirety of *Article 6* and *Article 8* will continue to apply following any termination.

(c) Upon termination of this Agreement by a Party for any reason, (i) Purchaser shall return all documents and other materials of Seller relating to the Company and the Mesquite Sky Entities, the assets or properties of the Company and the Mesquite Sky Entities and the transactions contemplated hereby, and (ii) Seller shall return all documents and other materials of Purchaser relating to the transactions contemplated hereby. Each Party shall also return to the other Party any information relating to the Parties to this Agreement furnished by one Party to the other, whether obtained before or after the execution of this Agreement. All information received by each Party with respect to the Company, the Mesquite Sky Entities, the assets of the Company, the assets of the Mesquite Sky Entities or the other Party shall remain subject to the provisions of *Section 8.06*.

8.02. *Entire Agreement.* This Agreement and the documents referenced herein supersede all prior discussions and agreements, whether oral or written, between the Parties with respect to the subject matter hereof, and contains the entire agreement between the Parties with respect to the subject matter hereof.

8.03. *Specific Performance.* The Parties to this Agreement agree that if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, irreparable damage would occur and money damages may not be a sufficient remedy. In addition to any other remedy at law or in equity, each of Purchaser and Seller shall be entitled to specific performance by the other Party of its obligations under this Agreement and immediate injunctive relief, without the necessity of proving the inadequacy of money damages as a remedy.

8.04. *Time of the Essence.* Time is of the essence with regard to all duties and time periods set forth in this Agreement.

8.05. *Expenses.* Except as otherwise expressly provided in this Agreement, whether or not the transactions contemplated hereby are consummated, each Party will pay its own costs and expenses incurred in connection with the negotiation, execution and performance of this Agreement.

8.06. Confidentiality; Disclosures. This Agreement is confidential, and neither Party shall disclose the terms and conditions of this Agreement to any other Person (other than such Party's Affiliates and its and their respective officers, directors, employees, representatives, agents and advisors) or issue, or permit any of its Affiliates to issue, any press release or otherwise make any public statements or announcements regarding this Agreement or the transactions contemplated by this Agreement without the prior written consent (which consent will not be unreasonably withheld, conditioned or delayed) of the other Party, except as otherwise determined to be necessary or appropriate to comply with applicable Law or any rules or regulations of any supervisory authority, regulatory authority or other Governmental Authority having jurisdiction over it or any of its Affiliates (including the Securities and Exchange Commission and the New York Stock Exchange), in which case, the Party required to make such disclosure or issue such press release or public announcement shall use reasonable efforts to provide the other Party a reasonable opportunity to comment on such disclosure, press release or public announcement in advance thereof. Notwithstanding the foregoing, nothing contained in this Agreement shall limit either Party's (or either Party's respective Affiliates') rights to disclose the existence of this Agreement and the general nature of the transactions described herein on any earnings call or in similar discussions with financial media or analysts, stockholders and other members of the investment community.

8.07. Waiver. Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition and delivered pursuant to *Section 8.01*. No waiver by any Party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any future occasion. All remedies, either under this Agreement or by Law or otherwise afforded, will be cumulative and not alternative.

8.08. Amendment. This Agreement may be amended, supplemented or modified only by a written instrument duly executed by or on behalf of each Party.

8.09. No Third Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each Party and their respective successors or permitted assigns, and it is not the intention of the Parties to confer third party beneficiary rights upon any other Person other than any Person entitled to indemnity under *Article 6*.

8.10. Assignment. The obligations of the Parties under this Agreement are not assignable without the prior written consent of the other Party, which such Party may withhold in its discretion; *provided* that Purchaser may assign this Agreement, including the right to acquire the Acquired Interests or the Class A Interests, without the prior written consent of Seller, to (a) any Affiliate of Purchaser, or (b) any financial institution providing purchase money or other financing to Purchaser from time to time as collateral security for such financing, in each case so long as Purchaser remains fully liable for its obligations under this Agreement.

8.11. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of any Party under this Agreement shall not be materially and adversely affected thereby, (a) such provision shall be fully severable, (b) this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof and (c) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance here from.

8.12. Governing Law. THIS AGREEMENT AND ALL DISPUTES AND CONTROVERSIES ARISING HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ALL RESPECTS IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF EXCEPT FOR SECTIONS 5-1401 AND 5- 1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

8.13. Consent to Jurisdiction.

(a) For all purposes of this Agreement, and for all purposes of any Action or Proceeding arising out of or relating to the transactions contemplated hereby or for recognition or enforcement of any judgment, each Party hereto submits to the personal jurisdiction of the courts of the State of New York and the federal courts of the United States sitting in New York County, and hereby irrevocably and unconditionally agrees that any such Action or Proceeding may be heard and determined in such New York court or, to the extent permitted by law, in such federal court. Each Party hereto agrees that a final judgment in any such Action or Proceeding may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by Law. Nothing in this Agreement shall affect any right that any Party may otherwise have to bring any Action or Proceeding relating to this Agreement against the other Party or its properties in the courts of any jurisdiction.

(b) Each Party hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so:

(i) any objection which it may now or hereafter have to the laying of venue of any Action or Proceeding arising out of or relating to this Agreement or any related matter in any New York state or federal court located in New York County, and

(ii) the defense of an inconvenient forum to the maintenance of such Action or Proceeding in any such court.

(c) Each Party hereto irrevocably consents to service of process by registered mail, return receipt requested, as provided in Section 8.01. Nothing in this Agreement will affect the right of any Party hereto to serve process in any other manner permitted by Law.

8.14. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY LEGAL ACTION TO ENFORCE OR INTERPRET THE PROVISIONS OF THIS AGREEMENT OR THAT OTHERWISE RELATES TO THIS AGREEMENT.

8.15. Limitation on Certain Damages. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NO PARTY SHALL BE LIABLE TO ANY OTHER PARTY FOR ANY CONSEQUENTIAL, SPECIAL, INDIRECT, SPECULATIVE, EXEMPLARY, OR PUNITIVE DAMAGES (COLLECTIVELY, "CONSEQUENTIAL DAMAGES") FOR ANY REASON WITH RESPECT TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER BASED ON STATUTE, CONTRACT, TORT OR OTHERWISE AND WHETHER OR NOT ARISING FROM THE OTHER PARTY'S SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT; PROVIDED, HOWEVER, THAT ANY LOSSES ARISING OUT OF THIRD PARTY CLAIMS FOR WHICH A PARTY IS ENTITLED TO INDEMNIFICATION UNDER THIS AGREEMENT SHALL NOT CONSTITUTE CONSEQUENTIAL DAMAGES. FOR THE AVOIDANCE OF DOUBT, AN ACTION FOR THE PAYMENT OF THE PURCHASE PRICE SHALL NOT BE CONSIDERED CONSEQUENTIAL DAMAGES.

8.16. Disclosures. Seller or Purchaser may, at its option, include in the Disclosure Schedules items that are not material in order to avoid any misunderstanding, and any such inclusion, or any references to dollar amounts, shall not be deemed to be an acknowledgment or representation that such items are material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement. In no event shall the inclusion of any matter in the Disclosure Schedules be deemed or interpreted to broaden Seller's or Purchaser's representations, warranties, covenants or agreements contained in this Agreement. Neither the specification of any dollar amount in any representation nor the mere inclusion of any item in a schedule or in the Disclosure Schedules as an exception to a representation or warranty shall be deemed an admission by a Party that such item represents a material fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect on, the Company, the Mesquite Sky Entities or Purchaser.

8.17. PDF Signature; Counterparts. This Agreement may be executed by PDF signature in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

(j) **Compliance with Laws.** Purchaser is not in material violation of any Law except where any such material violation would not in the aggregate reasonably be expected to have a material adverse effect on Purchaser's ability to satisfy its obligations under this Agreement.

Seller shall use commercially reasonable efforts not to cause its Representatives, or the Company, the Black Rock Entities or other Affiliates of Seller or any of their respective Representatives, to take any action which would reasonably be expected to materially and adversely affect the likelihood of any approval or consent required to consummate the transactions contemplated hereby. Seller shall bear its own costs and legal fees contemplated by this Section 5.01.

5.02. Access to Information. From the Execution Date and continuing until the earlier of the termination of this Agreement or the Closing Date (the “*Interim Period*”), Seller shall at all reasonable times and upon reasonable prior notice during regular business hours make the properties, assets, books and records pertaining to the Company and the Black Rock Entities, the Acquired Interests or the Project reasonably available for examination, inspection and review by Purchaser and its Representatives; *provided, however*, that (a) Purchaser and its Representatives shall be subject to customary confidentiality undertakings with respect to any such information or access made available, (b) for any site visit or access, Purchaser and its Representatives will agree to comply with all safety and other policies and procedures disclosed to it while conducting such visit or access, and (c) Purchaser’s and its Representatives’ inspections and examinations shall not unreasonably disrupt the normal operations of Seller, the Company, the Black Rock Entities or the Project and shall be at Purchaser’s sole cost and expense; and *provided further* that neither Purchaser, nor any of its Affiliates or Representatives, shall conduct any intrusive environmental site assessment or activities with respect to the Company or the Black Rock Entities or their properties without the prior written consent of Seller.

No claim under this Agreement may be made unless such Party shall have delivered, with respect to any claim under Section 6.01 or Section 6.02, a written notice of claim prior to the applicable survival expiration date; *provided that*, if written notice for a claim of indemnification has been provided by the Indemnified Party pursuant to Section 6.04(a) on or prior to the applicable survival expiration date, then the obligation of the Indemnifying Party to indemnify the Indemnified Party pursuant to this Article 6 shall survive with respect to such claim until such claim is finally resolved.

6.04. Limitations on Claims.

(a) An Indemnifying Party shall have no obligation to indemnify an Indemnified Party until the aggregate amount of all Losses incurred that are subject to indemnification by such Indemnifying Party pursuant to this Article 6 equal or exceed [***] of the portion of the Purchase Price paid by Purchaser as of such date (the “Deductible”) in which event the Indemnifying Party shall be liable for Losses only to the extent they are in excess of the Deductible; *provided that* the Deductible shall not apply to Losses resulting from, arising out of or relating to (i) any Fraudulent Action or (ii) the matters referenced on Schedule 6.01(b).

(b) The aggregate liability of the Seller Indemnifying Parties and the Purchaser Indemnifying Parties under this *Article 6* resulting from any claims under any breaches of representations or warranties herein and in any certificates delivered pursuant hereto, shall be limited to an amount equal to [***] of the portion of the Purchase Price paid by Purchaser as of such date (the “Cap”); *provided* that the Cap shall not apply to Losses resulting from, arising out of or relating to (i) any Fraudulent Action or (ii) a breach of the Seller Fundamental Representations; *provided, further*, that the aggregate liability of the Seller Indemnifying Parties resulting from the Seller Fundamental Representations *plus* any other Losses resulting from any claims under breaches of representations or warranties herein and in any certificates delivered pursuant hereto shall be limited to an amount equal to the portion of the Purchase Price paid by Purchaser as of such date. For the avoidance of doubt, the foregoing limitation will not apply to Losses resulting from, arising out of or relating to (i) any breach of any covenant, agreement or obligation made herein or any certificate delivered pursuant hereto or (ii) the matters referenced on *Schedule 6.01(b)*.

(c) The amount of any claim pursuant to this *Article 6* will be reduced by the amount of any insurance proceeds actually recovered (less the cost to collect the proceeds of such insurance and the amount, if any, of any retroactive or other premium adjustments reasonably attributable thereto) and the amount of any Tax benefit (which for this purpose means any reduction in cash Taxes payable that would otherwise be due or the receipt of a refund of Taxes by the Indemnified Parties (or, in the case of an Indemnified Party that is either a disregarded entity, partnership or other pass-through entity for U.S. federal income tax purposes, the ultimate taxpayer(s) with respect to such entity), in each case only with respect to the taxable year in which the Loss was incurred or paid) to the Indemnified Party in respect of such claim or the facts or events giving rise to such indemnity obligation. If the Indemnified Party realizes such Tax benefit after the date on which an indemnity payment has been made to the Indemnified Party, the Indemnified Party shall promptly make payment to the Indemnifying Party in an amount equal to such Tax benefit; *provided* that such payment shall not exceed the amount of the indemnity payment.

6.05. Procedure for Indemnification of Third Party Claims.

(a) **Notice.** Whenever any claim by a third party shall arise for indemnification under this *Article 6*, the Indemnified Party shall promptly notify the Indemnifying Party of the claim and, when known, the facts constituting the basis for such claim and, if known, the notice shall specify the amount or an estimate of the amount of the liability arising therefrom. The Indemnified Party shall provide to the Indemnifying Party copies of all material notices and documents (including court papers) received or transmitted by the Indemnified Party relating to such claim. The failure or delay of the Indemnified Party to deliver prompt written notice of a claim shall not affect the indemnity obligations of the Indemnifying Party hereunder, except to the extent the Indemnifying Party was actually disadvantaged by such failure or delay in delivery of notice of such claim.

(b) **Settlement of Losses.** If the Indemnified Party has assumed the defense of any claim by a third party which may give rise to indemnity hereunder pursuant to *Section 6.06(c)*, the Indemnified Party shall not settle, consent to the entry of a judgment of or compromise such claim without the prior written consent (which consent shall not be unreasonably withheld or delayed) of the Indemnifying Party.

6.06. Rights of the Indemnifying Party in the Defense of Third Party Claims.

(a) **Right to Assume the Defense.** In connection with any claim by a third party which may give rise to indemnity hereunder, the Indemnifying Party shall have thirty (30) days after the date the Indemnifying Party is notified of such claim by the Indemnified Party to assume the defense of any such claim, which defense shall be prosecuted by the Indemnifying Party to a final conclusion or settlement in accordance with the terms hereof.

(b) **Procedure.** If the Indemnifying Party assumes the defense of any such claim, the Indemnifying Party shall (i) select counsel reasonably acceptable to the Indemnified Party to conduct the defense of such claim and (ii) take all steps necessary in the defense or settlement thereof, at its sole cost and expense. The Indemnified Party shall be entitled to participate in (but not control) the defense of any such claim, with its own counsel and at its sole cost and expense; *provided* that, if the claim includes allegations for which the Indemnifying Party both would and would not be obligated to indemnify the Indemnified Party, the Indemnifying Party and the Indemnified Party shall in that case jointly assume the defense thereof. The Indemnified Party and the Indemnifying Party shall fully cooperate with each other and their respective counsel in the defense or settlement of such claim. The Party in charge of the defense shall keep the other Party apprised at all times as to the status of the defense or any settlement negotiations with respect thereto.

(c) **Settlement of Losses.** The Indemnifying Party shall not consent to a settlement of or the entry of any judgment arising from, any such claim or legal proceeding, without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed).

(d) **Decline to Assume the Defense.** The Indemnified Party may defend against any such claim, at the sole cost and expense of the Indemnifying Party, in such manner as it may deem reasonably appropriate, including settling such claim in accordance with the terms hereof if (i) the Indemnifying Party does not assume the defense of any such claim resulting therefrom within thirty (30) days after the date the Indemnifying Party is notified of such claim by the Indemnified Party or (ii) the Indemnified Party reasonably concludes that the Indemnifying Party is (A) not diligently defending the Indemnified Party, (B) not contesting such claim in good faith through appropriate proceedings or (C) has not taken such action (including the posting of a bond, deposit or other security) as may be necessary to prevent any action to foreclose a Lien against or attachment of any asset or property of the Indemnified Party for payment of such claim; *provided* that in the case of this clause (ii), the Indemnified Party will provide written notice to the Indemnifying Party of Indemnified Party's conclusion, and Indemnifying Party shall have failed to take the applicable actions within thirty (30) days of such written notice.

6.07. Direct Claims. In the event that any Indemnified Party has a claim against any Indemnifying Party which may give rise to indemnity hereunder that does not involve a claim brought by a third party, the Indemnified Party shall promptly notify the Indemnifying Party of the claim and the facts constituting the basis for such claim and, if known, the amount or an estimate of the amount of the liability arising therefrom. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days from receipt of such claim notice that the Indemnifying Party disputes such claim, the amount of such claim shall be conclusively deemed a liability of the Indemnifying Party hereunder; *provided, however*, if the Indemnifying Party does notify the Indemnified Party that it disputes such claim within the required thirty (30) day period, the Parties shall attempt in good faith to agree upon the rights of the respective Parties with respect to such claim. If the Parties should so agree, a memorandum setting forth such agreement shall be prepared and signed by both Parties. If such Parties shall not agree, the Indemnified Party shall be entitled to take any action in law or in equity as such Indemnified Party shall deem necessary to enforce the provisions of this *Article 6* against the Indemnifying Party.

6.08. Exclusive Remedy. Absent any Fraudulent Action, the indemnities set forth in this *Article 6* shall be the exclusive remedies of Purchaser and Seller and their respective members, officers, directors, employees, agents and Affiliates due to misrepresentation, breach of warranty, nonfulfillment or failure to perform any covenant or agreement contained in this Agreement, and the Parties shall not be entitled to a rescission of this Agreement or to any further indemnification rights or claims of any nature whatsoever in respect thereof, all of which the Parties hereto hereby waive.

6.09. Mitigations.

(a) Each of the Parties agrees to take all commercially reasonable steps to mitigate their respective Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Losses that are indemnifiable hereunder.

(b) Upon making any payment to the Indemnified Party for any indemnification claim pursuant to this *Article 6*, the Indemnifying Party shall be subrogated, to the extent of such payment, to any rights which the Indemnified Party may have against any third parties with respect to the subject matter underlying such indemnification claim and the Indemnified Party shall assign any such rights to the Indemnifying Party.

6.10. Indemnity Treatment. Any amount of indemnification payable pursuant to the provisions of this *Article 6* shall, to the extent permitted by law, be treated as an adjustment to the Purchase Price (as determined for all relevant Tax purposes).

**ARTICLE 7
TERMINATION**

7.01. Termination. This Agreement may be terminated at any time prior to the Closing Date as follows:

(a) This Agreement may be terminated at any time prior to the Closing Date as follows:

(i) ~~(a)~~ by mutual written consent of Seller and Purchaser;

(ii) ~~(b)~~ by either Party if the Closing has not occurred on or before ~~March~~ January 31, 2022 ~~;~~ provided, however, that so long as the Seller is using commercially reasonable efforts to continue commissioning Additional Turbines as of such date, such deadline shall be extended to March 2, 2022, provided further that so long as the Seller is using commercially reasonable efforts to continue commissioning Additional Turbines as of such date, such deadline shall be extended to April 1, 2022 (such date, the "Outside Date"), and the failure to reach the Closing Date was not caused by a breach of this Agreement by the terminating Party;

(iii) ~~(c)~~ by Purchaser if there has been a breach by Seller of any representation, warranty, covenant or agreement contained in this Agreement that (i) would result in a failure of a condition set forth in *Section 4.01*, as applicable, and (ii) either (x) is a breach of Seller's obligations to transfer the Acquired Interests at Closing in accordance with this Agreement or (y) such breach has not been cured, or by its nature cannot be cured, within thirty (30) days following written notification thereof; *provided, however*, that if, at the end of such thirty (30) day period, Seller is endeavoring in good faith, and proceeding diligently, to cure such breach, Seller shall have an additional thirty (30) days in which to effect such cure;

(iv) ~~(d)~~ by Seller if there has been a breach by Purchaser of any representation, warranty, covenant or agreement contained in this Agreement that (i) would result in a failure of a condition set forth in *Section 4.01*, as applicable, and (ii) such breach has not been cured, or by its nature cannot be cured, within 30 days following written notification thereof; *provided, however*, that if, at the end of such thirty (30) day period, Purchaser is endeavoring in good faith, and proceeding diligently, to cure such breach, Purchaser shall have an additional thirty (30) days in which to effect such cure; and

(y) ~~(e)~~ by Purchaser if there has been a breach by Seller of its covenant in *Section 5.12(a)* with respect to the Financing Documents; *provided*, that such breach was not caused by a breach by Purchaser of the terms and conditions with respect to its granting of consent under *Section 5.12(a)*, as applicable.

(b) This Agreement may be terminated, solely with respect to Purchaser's obligations to purchase the Class A Interests from Seller for the Class A Purchase Price and subsequently contribute such Class A Interests to the Master JV HoldCo, at any time prior to the Second Closing Date, by either Party if the Second Closing has not occurred on or before the Outside Date, and the failure to reach the Second Closing Date was not caused by a breach of this Agreement by the terminating Party.

7.02. Effect of Termination.

(a) If this Agreement is validly terminated pursuant to *Section 7.01*, this Agreement will forthwith become null and void, and there will be no liability or obligation on the part of either Purchaser or Seller (or any of their respective Representatives or Affiliates) in respect of this Agreement, except that the applicable portions of this *Section 7.02*, and the entirety of *Article 6* and *Article 8* will continue to apply following any termination; *provided, however*, that nothing in this *Section 7.02* shall release any Party from liability for any breach of this Agreement by such Party prior to the termination of this Agreement (and any attempted termination by the breaching Party shall be void).

(b) If Purchaser's obligations to purchase the Class A Interests from Seller for the Class A Purchase Price and subsequently contribute such Class A Interests to the Master JV HoldCo are validly terminated pursuant to *Section 7.01(b)*, such obligations will forthwith become null and void, and there will be no liability or obligation on the part of either Purchaser or Seller (or any of their respective Representatives or Affiliates) in respect of such obligations, except that the applicable portions of this *Section 7.02*, and the entirety of *Article 6* and *Article 8* will continue to apply following any termination.

(c) ~~(b)~~ Upon termination of this Agreement by a Party for any reason, (i) Purchaser shall return all documents and other materials of Seller relating to the Company and the Black Rock Entities, the assets or properties of the Company and the Black Rock Entities and the transactions contemplated hereby, and (ii) Seller shall return all documents and other materials of Purchaser relating to the transactions contemplated hereby. Each Party shall also return to the other Party any information relating to the Parties to this Agreement furnished by one Party to the other, whether obtained before or after the execution of this Agreement. All information received by each Party with respect to the Company, the Black Rock Entities, the assets of the Company, the assets of the Black Rock Entities or the other Party shall remain subject to the provisions of *Section 8.06*.

8.02. *Entire Agreement.* This Agreement and the documents referenced herein supersede all prior discussions and agreements, whether oral or written, between the Parties with respect to the subject matter hereof, and contains the entire agreement between the Parties with respect to the subject matter hereof.

8.03. *Specific Performance.* The Parties to this Agreement agree that if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, irreparable damage would occur and money damages may not be a sufficient remedy. In addition to any other remedy at law or in equity, each of Purchaser and Seller shall be entitled to specific performance by the other Party of its obligations under this Agreement and immediate injunctive relief, without the necessity of proving the inadequacy of money damages as a remedy.

8.04. *Time of the Essence.* Time is of the essence with regard to all duties and time periods set forth in this Agreement.

8.05. *Expenses.* Except as otherwise expressly provided in this Agreement, whether or not the transactions contemplated hereby are consummated, each Party will pay its own costs and expenses incurred in connection with the negotiation, execution and performance of this Agreement.

8.06. Confidentiality; Disclosures. This Agreement is confidential, and neither Party shall disclose the terms and conditions of this Agreement to any other Person (other than such Party's Affiliates and its and their respective officers, directors, employees, representatives, agents and advisors) or issue, or permit any of its Affiliates to issue, any press release or otherwise make any public statements or announcements regarding this Agreement or the transactions contemplated by this Agreement without the prior written consent (which consent will not be unreasonably withheld, conditioned or delayed) of the other Party, except as otherwise determined to be necessary or appropriate to comply with applicable Law or any rules or regulations of any supervisory authority, regulatory authority or other Governmental Authority having jurisdiction over it or any of its Affiliates (including the Securities and Exchange Commission and the New York Stock Exchange), in which case, the Party required to make such disclosure or issue such press release or public announcement shall use reasonable efforts to provide the other Party a reasonable opportunity to comment on such disclosure, press release or public announcement in advance thereof. Notwithstanding the foregoing, nothing contained in this Agreement shall limit either Party's (or either Party's respective Affiliates') rights to disclose the existence of this Agreement and the general nature of the transactions described herein on any earnings call or in similar discussions with financial media or analysts, stockholders and other members of the investment community.

8.07. Waiver. Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition and delivered pursuant to *Section 8.01*. No waiver by any Party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any future occasion. All remedies, either under this Agreement or by Law or otherwise afforded, will be cumulative and not alternative.

8.08. Amendment. This Agreement may be amended, supplemented or modified only by a written instrument duly executed by or on behalf of each Party.

8.09. No Third Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each Party and their respective successors or permitted assigns, and it is not the intention of the Parties to confer third party beneficiary rights upon any other Person other than any Person entitled to indemnity under *Article 6*.

8.10. Assignment. The obligations of the Parties under this Agreement are not assignable without the prior written consent of the other Party, which such Party may withhold in its discretion; *provided* that Purchaser may assign this Agreement, including the right to acquire the Acquired Interests or the Class A Interests, without the prior written consent of Seller, to (a) any Affiliate of Purchaser, or (b) any financial institution providing purchase money or other financing to Purchaser from time to time as collateral security for such financing, in each case so long as Purchaser remains fully liable for its obligations under this Agreement.

8.11. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of any Party under this Agreement shall not be materially and adversely affected thereby, (a) such provision shall be fully severable, (b) this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof and (c) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance here from.

8.12. Governing Law. THIS AGREEMENT AND ALL DISPUTES AND CONTROVERSIES ARISING HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ALL RESPECTS IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF EXCEPT FOR SECTIONS 5-1401 AND 5- 1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

8.13. Consent to Jurisdiction.

(a) For all purposes of this Agreement, and for all purposes of any Action or Proceeding arising out of or relating to the transactions contemplated hereby or for recognition or enforcement of any judgment, each Party hereto submits to the personal jurisdiction of the courts of the State of New York and the federal courts of the United States sitting in New York County, and hereby irrevocably and unconditionally agrees that any such Action or Proceeding may be heard and determined in such New York court or, to the extent permitted by law, in such federal court. Each Party hereto agrees that a final judgment in any such Action or Proceeding may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by Law. Nothing in this Agreement shall affect any right that any Party may otherwise have to bring any Action or Proceeding relating to this Agreement against the other Party or its properties in the courts of any jurisdiction.

(b) Each Party hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so:

(i) any objection which it may now or hereafter have to the laying of venue of any Action or Proceeding arising out of or relating to this Agreement or any related matter in any New York state or federal court located in New York County, and

(ii) the defense of an inconvenient forum to the maintenance of such Action or Proceeding in any such court.

(c) Each Party hereto irrevocably consents to service of process by registered mail, return receipt requested, as provided in Section 8.01. Nothing in this Agreement will affect the right of any Party hereto to serve process in any other manner permitted by Law.

8.14. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY LEGAL ACTION TO ENFORCE OR INTERPRET THE PROVISIONS OF THIS AGREEMENT OR THAT OTHERWISE RELATES TO THIS AGREEMENT.

8.15. Limitation on Certain Damages. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NO PARTY SHALL BE LIABLE TO ANY OTHER PARTY FOR ANY CONSEQUENTIAL, SPECIAL, INDIRECT, SPECULATIVE, EXEMPLARY, OR PUNITIVE DAMAGES (COLLECTIVELY, "CONSEQUENTIAL DAMAGES") FOR ANY REASON WITH RESPECT TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER BASED ON STATUTE, CONTRACT, TORT OR OTHERWISE AND WHETHER OR NOT ARISING FROM THE OTHER PARTY'S SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT; PROVIDED, HOWEVER, THAT ANY LOSSES ARISING OUT OF THIRD PARTY CLAIMS FOR WHICH A PARTY IS ENTITLED TO INDEMNIFICATION UNDER THIS AGREEMENT SHALL NOT CONSTITUTE CONSEQUENTIAL DAMAGES. FOR THE AVOIDANCE OF DOUBT, AN ACTION FOR THE PAYMENT OF THE PURCHASE PRICE SHALL NOT BE CONSIDERED CONSEQUENTIAL DAMAGES.

8.16. Disclosures. Seller or Purchaser may, at its option, include in the Disclosure Schedules items that are not material in order to avoid any misunderstanding, and any such inclusion, or any references to dollar amounts, shall not be deemed to be an acknowledgment or representation that such items are material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement. In no event shall the inclusion of any matter in the Disclosure Schedules be deemed or interpreted to broaden Seller's or Purchaser's representations, warranties, covenants or agreements contained in this Agreement. Neither the specification of any dollar amount in any representation nor the mere inclusion of any item in a schedule or in the Disclosure Schedules as an exception to a representation or warranty shall be deemed an admission by a Party that such item represents a material fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect on, the Company, the Black Rock Entities or Purchaser.

8.17. PDF Signature; Counterparts. This Agreement may be executed by PDF signature in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
